Attempts: (Failures/Repeats/Extra Courses)

COURSES	HRS	GRD	TERM

Total Credit Hours Degree Requirement:	120
Total Credit Hours Completed:	0
Remaining Credit Hours to Complete:	120

ELIGIBILITY FOR GRADUATION: _____

Last Updated: Jun 6, 2025

Notes:

1. GEOG 1290 satisfies 3 of the required 6 credit hours of science courses. Students in the Advanced degree program will satisfy the science requirement via other required course work (GEOG 3730, if GEOG 2520)
2. May also satisfy the Faculty of Arts requirement.
3. Students wishing to transfer from the General to Advanced or Honours degree program are permitted to take GEOG 3730 in either third or fourth year.
4. The former GEOG 2530 may be used in lieu of ENVR 2810.
5. In order to register in these courses, students must have fulfilled the prerequisites.

* Equivalent courses offered through Université de Saint-Boniface may be used in lieu of the specified course identified in the entrance requirements chart.
* The W and M requirements must be completed within the first 60 credit hours.
* To fulfil prerequisite requirements, a grade of "C" must be achieved, unless otherwise stated, in any course stipulated as a prerequisite to a further course.
* Students registering in certain courses may be required to participate in field trips or field components and pay a portion of the associated expenses. For details, contact the Department of Environment and Geography general office.
* Students must complete 6 credit hours from the Faculty of Arts and 6 credit hours of science coursework. Refer to the Academic Calendar for a list of eligible courses offered by the Faculty of Arts, Faculty of Science, and Faculty of Agricultural and Food Sciences.

Comments:

In the event of a discrepancy between this summary and the Academic Calendar, the Academic Calendar shall prevail.
While advisors confer with students about courses and educational experiences, students are responsible for defining the content of their academic program, being aware of all graduation requirements, and making progress toward an academic degree. Advisors will assist students in designing an appropriate course of study that will satisfy requirements for graduation as well as offer information on particular courses and University rules and procedures. This does not replace conferring with your academic advisor.
For any concerns or queries, please book a meeting with an academic advisor or email Riddell.Advisor@umanitoba.ca.
