1. All applicants are included.
2. Direct Entry programs admit students directly from high school. Direct Transit programs allow students to transit in automatically from University 1 (Direct Transit figures are separated into those students that formally applied to Arts and Science and those students that transited automatically from University 1). University Entry requires university study before application to the program (University Entry does not include special or visiting students).
3. Engineering maintains up to 40 places for International students.
4. The Asper School of Business was formerly reported as the Faculty of Management.
5. New in 2003-2004.
6. Excludes B. Human Ecology/B. of Educ., B. of Music/B. of Educ., U. of M./Red River College integrated program.
7. The Weekend College program does not admit students every year. There was no intake in 2004-2005.
8. Faculty of Environment new in 2003.
9. Law has five supernumerary places for half-time students and five supernumerary places for Aboriginal students.
10. Medicine has a maximum of five supernumerary places for Sedaya College students.
11. Beginning in 2004, the administration of the program was moved to Brandon University.
12. Norway House generally admits students every second year.
13. University College of the North (UCN) was previously reported as Keewatin Community College (KCC).
14. Physical Education and Exercise and Sports Science have a combined quota of 100.
