1. Effective in 2001, the reporting date for summer session changed to using the voluntary withdrawal date of the final summer term. In prior years, summer session was reported at the end of July. This change was implemented as part of provincial reporting guidelines.
2. "Total Students" counts a student only once, regardless of enrolment in multiple sessions.
3. Enrolment in the integrated B.Human Ecology/B.Education program is reflected in Education for years 2 through 5. Enrolment in the integrated B.Music/B.Education program is reflected in Music for years 2 and 3 and in Education for years 4 and 5.
4. Graduate Studies includes pre-master's, master's, doctoral, occasional and diploma students.
