Derek Riley Undergraduate Entrance Bursary

Dr. Derek Riley has established an endowment fund at the University of Manitoba with a gift of \$750,000 in 2014. The Manitoba Scholarship and Bursary Initiative has made a matching contribution to the fund. The purpose of the fund is to support Canadian Indigenous students associated with a First Nations community in Manitoba pursuing their first degree/diploma program. Beginning in the 2017-2018 academic year, \$15,000 from the available annual income of the fund will be used to offer one bursary to an undergraduate student who:

- (1) is Canadian Indigenous (First Nations, Métis, Inuit);
- (2) is from a First Nations community in Manitoba that is north of the 53rd parallel;
- (3) is an active member of a Rec and Read Mentorship Program;
- (4) has a record of satisfactory academic achievement, defined as the minimum admission requirements (including Mature Student status) for University 1, I.H. Asper School of Business, Faculty of Engineering, or the Faculty of Science at the University of Manitoba;
- (5) will be enrolled full-time (minimum 60% course load) in their first year of studies in any faculty or school listed in criterion (4) at the University of Manitoba;
- (6) has demonstrated financial need on a Financial Aid and Awards approved bursary application form.

If there are no candidates that meet all of the above criteria, applications will be considered in the following order:

- (i) Students accepted into any faculty, college, or school of the University of Manitoba not listed in criterion (4) who otherwise meet the eligibility criteria;
- (ii) Students accepted into any faculty, college, or school of the University of Manitoba, are not active members of a Rec and Read Mentorship Program, but otherwise meet the eligibility criteria;
- (iii) Continuing students of the University of Manitoba who meet the eligibility criteria (or (i) and (ii) above), with a minimum degree grade point average of 2.0.

Applicants for this bursary will be required to submit a letter from a representative of a Rec and Read Mentorship Program, verifying the candidate's program participation.

The bursary is renewable at a value of \$15,000 per year in the second, third, and fourth years of study, provided that the recipient:

- (1) will be enrolled full-time (minimum 60% course load) in any faculty, college, or school at the University of Manitoba;
- (2) has a record of satisfactory academic achievement, defined as:
 - (a) a minimum degree grade point average of 2.0 or
 - (b) good standing, as confirmed by the College of Medicine.
- (3) continues to demonstrate financial need on a Financial Aid and Awards approved bursary application form.

The Indigenous Student Centre will issue and receive applications for this award.

Up to four students may hold the Derek Riley Undergraduate Entrance Bursary in any given year.

When the fund is able to support over four students, the selection committee will have the discretion to determine the number and value of bursaries, with a minimum value of \$15,000 per student each year.

The Director of the Indigenous Student Centre (or designate) will convene the selection committee for this award.

This agreement may be amended by the mutual consent of the donor (or designate) and the University of Manitoba. All such amendments shall be in writing. In the absence of the donor (or designate), and providing all reasonable efforts have been made to consult, the Board of Governors of the University of Manitoba has the right to modify the terms of this award if, because of changed conditions, it becomes necessary to do so. Such modification shall conform as closely as possible to the expressed intention of the donor in establishing the award.
