Dear Deans and Directors:

I am very pleased to send the attached call for proposals for the newly established Indigenous Scholars Fund. This fund will support the recruitment of 5-6 Indigenous Scholars to further advance our commitment to Indigenous Achievement as stated in our Strategic Plan, 2015-2020, *Taking Our Place*.

Proposals are to be submitted by the Dean/Director and the deadline for submissions of proposals is **Monday, September 19, 2016**. Please ensure that the proposals include all information as outlined on page three of the attached document. If you have any questions please contact either Diane Hiebert-Murphy or myself.

Applications are to be emailed to [norman.delosreyes@umanitoba.ca](mailto:norman.delosreyes@umanitoba.ca).

I look forward to receiving your proposals. Thank you.

Janice.
