Subject: **Teaching and Learning Enhancement Fund**

I am pleased to announce the call for applications for the **Teaching and Learning Enhancement Fund (TLEF)**.

This fund will support projects (ranging from \$5,000-\$15,000) that explore innovative pedagogical approaches (such as blended learning) and the impact on learning, the scholarship of teaching and learning, the integration of research and teaching in the classroom, and more.

The TLEF guidelines are attached. Please distribute this information widely to faculty members in your unit. This information, as well as the application form, is also located on the Vice-President (Academic) and Provost website:

Applications are due in my office on **Wednesday, February 1, 2017**. You will need to establish an internal deadline as the application requires the signature and support of the Dean/Director prior to being sent to my office.
