

CHANGMIN JIANG

University of Manitoba
624-181 Freedman Crescent
Winnipeg, MB, Canada, R3T 5V4

Tel.: 1-204-474-9737
Fax: 1-204-474-7530
Email: changmin.jiang@umanitoba.ca

WORK EXPERIENCE

University of Manitoba

Associate Professor (with tenure), Department of Supply Chain Management, Asper School of Business, 2019-present

University of Manitoba

Assistant Professor, Department of Supply Chain Management, Asper School of Business, 2014-2019

University of British Columbia

Instructor, Operations and Logistics Division, Sauder School of Business, 2012-2013

EDUCATION

University of British Columbia

Doctor of Philosophy (Ph.D.) in Management Science, 2015

City University of Hong Kong

Master of Science (MSc) in Applied Economics, 2008

Peking University

Bachelor of Arts (B.A.) in Biomedical English, *Bachelor of Arts* (B.A.) in Economics, 2007

RESEARCH

Journal Publications

Grants

1. External Competitive Grants

- Beijing Capital Airport Group Special Funds for Scientific Research
Funding Authority: Beijing Capital Airport Group
Funding Years: 2019-2020
Project Title: Steps of realizing the integration of multi-airport system
Amount: RMB 100,000
Role: Co-Applicant
- SSHRC Insight Development Grant (430-2019-00725)
Funding Authority: Social Sciences and Humanities Research Council (SSHRC) of Canada
Funding Years: 2019-2022
Project Title: Airlines' passenger data protection investment: Consumer response and market competition
Amount: CAD 58,932
Role: Principal Applicant
- National Science Fund for Distinguished Young Scholar (71803131)
Funding Authority: National Science Foundation of China (NSFC)
Funding Years: 2019-2021
Project Title: Competition and cooperation between civil aviation and high-speed rail: Economic analysis considering Chinese features
Amount: RMB 210,000
Role: Principal Applicant
- National Social Science Fund Key Project (18ZDA071)
Funding Authority: National Social Science Foundation of China
Funding Years: 2019-2021
Project Title: Strategies to promote the transport and logistics connectivity between Belt-and-Road countries
Amount: RMB 800,000
Role: Co-Applicant
- SSHRC Insight Grant (435-2017-0728)
Funding Authority: Social Sciences and Humanities Research Council (SSHRC) of Canada
Funding Years: 2017-2021
Project Title: Assessment of the International Civil Aviation Organization's basket of

measures to reduce aviation CO2 emissions

Amount: CAD 108,126

Role: Principal Applicant

- SSHRC Insight Grant (435-2017-0735)
Funding Authority: Social Sciences and Humanities Research Council (SSHRC) of Canada
Funding Years: 2017-2021
Project Title: Climate change adaptation planning for ports
Amount: CAD 256,015
Role: Co-Applicant
- Large-Scale Applied Research Project Competition: Natural Resources and the Environment: Sector Challenges - Genomic Solutions
Funding Authority: Genome Canada
Funding Years: 2016-2019
Project Title: GENICE: Microbial genomics for oil spill preparedness in Canada's Arctic marine environment
Amount: CAD 11,074,700
Role: Co-Applicant

2. Internal Competitive Grants

- University Research Grants Program (UM Project # 51443)
Funding Authority: University of Manitoba
Funding Years: 2019
Project Title: Consumer response to airlines passenger data protection investment
Amount: CAD 9,012
Role: Principal Applicant
- University of Manitoba SSHRC Data Access Grant
Funding Authority: University of Manitoba
Funding Years: 2017
Project Title: Empirical evaluation of the impacts of EU-ETS on the aviation industry and air travelers
Amount: CAD 7,000
Role: Principal Applicant
- University of Manitoba SSHRC Research Grants (UM Project # 46197)
Funding Authority: University of Manitoba
Funding Years: 2016-2017
Project Title: Port pricing and capacity investment: Effects of berth and yard congestion
Amount: CAD 6,920
Role: Principal Applicant
- University of Manitoba Startup Grants
Funding Authority: University of Manitoba
Funding Years: 2014-2017
Project Title: Environmental implications of air transport and high-speed rail competition
Amount: CAD 75,000

Role: Principal Applicant

Conference Presentations

- *23rd Air Transport Research Society World Conference*, 2-5 July 2019, Amsterdam. Topic: ‘Air-Rail Cooperation: Impacts on Service Frequency and Environment’.
- *Annual Conference of the International Transportation Economics Association*, 26-29 June 2018, Hong Kong, China. Topic: ‘Jet Fuel Hedging, Operational Fuel Efficiency Improvement and Carbon Tax’.
- *Workshop towards an International Consortium on Climate Change and Adaptation Planning for Ports, Transportation Infrastructures, and the Arctic (CCAPPTIA)*, 3-4 May 2018, Winnipeg, Canada. Topic: ‘Cost-effectiveness analysis of Risk Control Options for Oil Spill in Arctic Shipping’.
- *7th International Symposium on Transport Network Reliability*, 17-19 January 2018, Sydney, Australia (invited speaker). Topic: ‘Can Airfares Tell? A New Perspective of Airport Congestion Internalization’.
- *UMTI-Asper-SMU Workshop on Transportation, Logistics, and Regional Development*, 22 September 2017, Winnipeg, Canada (invited speaker). Topic: ‘Strategic Trade-Off Between Vessel Delay and Schedule Recovery: An Empirical Analysis of Container Liner Shipping’.
- *7th International Conference on Logistics, Informatics and Service Sciences*, 24-27 July 2017, Kyoto, Japan (invited speaker). Topic: ‘Airline Baggage Fees and Negative Externalities on Airport Congestion’.
- *1st World Transport Convention*, 4-6 June 2017, Beijing, China (track organizing committee member). Topic: ‘The Geography of Institutional Change: Insight from the Strategic and Spatial Evolution of a Port Terminal Operator’.
- *POMS 28th Annual Conference*, 5-8 May 2017, Seattle, US (section chair). Topic: ‘Do Patients Join Longer Queues? Evidence from Canadian Joint Replacement Surgeries’.
- *5th World Conference on Production and Operations Management*, 6-10 September 2016, Havana, Cuba (section chair). Topic: ‘Single Sourcing vs. Multiple Sourcing: Empirical Evidence from the US Airline Industry’.
- *14th World Conference on Transport Research*, 10-15 July 2016, Shanghai, China. Topics: ‘Internalization of Port Congestion: Strategic Effect behind Shipping Line Delay’ & ‘Air-Rail Cooperation Partnership: Market Structure and Social Welfare Analysis’.
- *Annual Conference of the International Transportation Economics Association*, 13-17 June 2016, Santiago, Chile. Topic: ‘Determinants of Partnership Level in Airline/High-Speed Rail Cooperation’.
- *58th Canadian Operational Research Society Annual Conference*, 29 May - 1 June 2016, Banff, Canada (section chair). Topic: ‘Cooperation between Major Airlines and Regional Airlines’.
- *3rd Young Scholar’s Conference on China Studies*, 14-15 December 2015, Hong Kong. Topic: ‘A Graphical Analysis of the Chinese High-Speed Rail Network Development’.

- *19th Air Transport Research Society World Conference*, 2-5 July 2015, Singapore (section chair). Topic: ‘Environmental Implications of Air Transport and High-speed Rail Competition’.
- *Global Port Research Alliance Conference on “Port and Logistics Connectivity”*, 21-22 May 2015, Hong Kong. Topic: ‘Internalization of Port Congestion: Strategic Effect behind Shipping Line Delay’.
- *16th Air Transport Research Society World Conference*, 27-30 June 2012, Tainan, Taiwan. Topic: ‘Effects of High-speed Rail and Airline Cooperation under Hub Airport Capacity Constraint’.
- *5th Asian Logistics Round Table & Conference*, 14-15 June 2012, Vancouver, Canada. Topic: ‘Airport Pricing, Concession Revenues and Passenger Types’.

Invited Presentations

- Shanghai Maritime University, 20 May 2019, Shanghai, China. Topic: ‘Northwest Passage: Current Research Landscape and New Research Opportunities’.
- Nanjing Audit University, 13 April 2018, Nanjing, China. ‘Single Sourcing vs. Multiple Sourcing: Empirical Evidence from Airline Industries in the United States’.
- University of International Business and Economics, 15 March 2018, Beijing, China. ‘Air-rail Cooperation and Multiple-airports System: A Revenue-sharing Mechanism between Air and Rail Sectors’.
- Shanghai Maritime University, 20 December 2017, Shanghai, China. Topic: ‘Mitigation vs. Adaptation: Impact of Inter-Port Interactions on Climate Change Strategies’.

Research Awards and Honors

2019	UMTI Research Award (CAD 3,000) Transport Institute, University of Manitoba
2019	Falconer Emerging Researcher Rh Award for Outstanding Contributions to Scholarship and Research (CAD 12,000) University of Manitoba
2019	Faculty Research Award (CAD 1,600) Asper School of Business, University of Manitoba
2018	Best Manuscript Award (shortlisted) <i>Maritime Policy and Management</i> For the paper “Internalization of Port Congestion: Strategic Effect behind Shipping Line Delays and Implications for Terminal Charges and Investment”
2018	Excellent Paper Award <i>World Transport Convention 2018</i> For the paper “Vertical Integration and its Implications to Port Expansion”
2016	Merit Award for Research, Scholarly Work & Other Creative Activities

	(CAD 3,000) University of Manitoba
2015	Asper School of Business Associates Achievement Award for Research (CAD 4,000) University of Manitoba
2012	Canadian National Railway Fellowship in Transportation Studies University of British Columbia
2008-2012	Dean Earle D MacPhee Memorial Fellowship in Commerce University of British Columbia
2008	Sauder School of Business Graduate Award University of British Columbia
2007	Professor Gregory Chow Distinguished Graduate Student Fellowship City University of Hong Kong
2002-2007	Academic Excellence Scholarship Peking University

TEACHING

Teaching Awards and Honors

2018	Students' Teacher Recognition University of Manitoba
2017	Asper School of Business Associates Achievement Award for Teaching (CAD 4,000) University of Manitoba

Undergraduate level courses

2019	Airline Business (SCM3250) 1 time University of Manitoba Highest Student Evaluation: 96% of the ratings "Good" and "Very Good"
2017	Transportation Principles (SCM2210) 2 times University of Manitoba Highest Student Evaluation: 96% of the ratings "Good" and "Very Good"
2015-2017	Topics in Airline Business (SCM2220) 3 times University of Manitoba Highest Student Evaluation: 96% of the ratings "Good" and "Very Good"
2015-2019	Introduction to Supply Chain Management (SCM2230) 9 times

University of Manitoba
Highest Student Evaluation: 97% of the ratings “Good” and “Very Good”
2012-2013 Logistics and Operations Management (COMM399)
2 times
University of British Columbia
Highest Student Evaluation--Effectiveness of Teacher: 4.66 out of 5

SERVICES

Consulting Projects

“British Columbia on the Road: Reasons for Investing in BC’s Road Systems Now” with D. Gillen, 2011

Conference Organization

- *Workshop towards an International Consortium on Climate Change and Adaptation Planning for Ports, Transportation Infrastructures, and the Arctic (CCAPPTIA)*, 3-4 May 2018, Winnipeg, Canada: organizing committee member
- *1st World Transport Convention*, 4-6 June 2017, Beijing, China: Track organizing committee member
- *58th Canadian Operational Research Society Annual Conference*, 29 May - 1 June 2016, Banff, Canada: Invited section organizer

Editorial Board Membership

- *The Open Transportation Journal* (May 2019-present)
- *Transport Policy* (Jan 2019-present)
- *European Journal of International Management* (Oct 2017-present)

Journal Reviewer

- Outstanding Reviewer Awards: *Transportation Research Part E: Logistics and Transportation Review* (2017); *Transportation Research Part A: Policy and Practice* (2017)
- Ad Hoc Journal Reviewer: *Transportation Research Part B: Methodological*; *Transportation Research Part A: Policy and Practice*; *Transportation Research Part D: Transport and Environment*; *Transportation Research Part E: Logistics and Transportation Review*; *Journal of Transport Geography*; *Transport Policy*; *Maritime Policy & Management*; *Journal of Air Transport Management*; *International Journal of Shipping and Transport Logistics*; *Journal of Traffic and Transportation Engineering*; *Energies*; *Journal of Transport Economics and Policy*; *Computers & Industrial Engineering*; *International Journal of Industrial Organization*; *European Journal of International Management*; *Transportmetrica A: Transport Science*; *Transportmetrica B: Transport Dynamics*; *Advances in Mechanical Engineering*; *International Journal of Disaster Risk Reduction*; *Research in Transportation Economics*; *Asian Journal of Shipping and Logistics*

Grant/Award Reviewer

- German Aviation Research Society (GARS) PhD Scholarship, 2019
- SSHRC Insight Grant Grants Business Committee Selection Panel, Social Sciences and Humanities Research Council of Canada, 2018 (Invited)
- Eric Pas Dissertation Prize, the International Association for Travel Behavior Research (IATBR), 2016

Committee Services

- Asper School of Business MBA Student Orientation (2019, University of Manitoba)
- Asper School of Business Undergraduate Curriculum Review Committee (2019-present, University of Manitoba)
- Master of Supply Chain Management Program Committee (2019-present, University of Manitoba)
- Asper School of Business Graduate Research Programs Committee (2019-present, University of Manitoba)
- Asper School of Business Research & Publication Committee (2018-present, University of Manitoba)
- Asper School of Business MBA Committee (2016-present, University of Manitoba)
- Asper School of Business Increasing Enrolment Task Force (2018, University of Manitoba)
- Asper School of Business Graduate Student Orientation (2018, University of Manitoba)
- Asper School of Business New Faculty Orientation (2018, University of Manitoba)
- Asper School of Business Undergraduate Program “Closing the Loop” Committee (2016-2017, University of Manitoba)
- University of Manitoba Transport Institute Postdoctoral Research Fellow Search committee (2017, University of Manitoba)
- University of Manitoba Transport Institute Advisory Committee (2016, University of Manitoba)
- Asper School of Business Associates Achievement Awards Committee (2016, 2018, University of Manitoba)
- Supply Chain Management Department Headship Search Committee (2015, University of Manitoba)

Visiting Scholar Hosting

- Hairong Huang (2015-2016, Zhejiang Sci-Tech University)

Graduate Student Supervision

1. As sole or main supervisor

- Xiaoyu Li (2015-2017, University of Manitoba), MSc in Supply Chain Management (Thesis: Economic and Policy Analysis on High-Speed Rail and Interactions with Air Transport)
- Ge Gao (2016-2018, University of Manitoba), MSc in Supply Chain Management (Thesis: Analysis of Airline Alliance Member’s Code-sharing Cooperation)
- Xudong Chen (2016-, University of Manitoba), MSc in Supply Chain Management

- Siming Jiang (2018-, University of Manitoba), MSc in Supply Chain Management
- Xiaolin Sun (2018-, University of Manitoba), MSc in Supply Chain Management
- Qingxu Kong (2018-, University of Manitoba), MSc in Supply Chain Management

2. As co-supervisor

- Liquan Guo (2017-2018, Dalian Maritime University), visiting PhD in Transportation Management
- Yuwen Dong (2015-2016, Renmin University of China), visiting PhD in Economics
- Jiayi Pang (2018-, University of Manitoba), MSc in Supply Chain Management
- Shuona Weng (2018-, University of Manitoba), MSc in Supply Chain Management

3. As committee member

- Trang Mai (2016-, University of Manitoba), PhD in Marketing
- Anh Tran (2017-2019, University of Manitoba), MSc in Supply Chain Management
- Yufeng Lin (2016-2018, University of Manitoba), MSc in Supply Chain Management
- Yile He (2016-2018, University of Manitoba), MSc in Supply Chain Management
- Huiying Zhang (2014-2016, University of Manitoba), MSc in Supply Chain Management
- Shengjie Zhao (2014-2016, University of Manitoba), MSc in Mechanical Engineering

Graduate Student Supervision Awards

- Mitacs Globalink Research Award Abroad (IT15086)
Funding Authority: Mitacs
Project Title: Coalition and Spin-off for Frequent-flyer Program
Award Year: 2019
Funding Amount: CAD 6,000
Role: Home Academic Advisor
Intern: Siming Jiang
Host Institution: University of Miami

International mentorship

- Yanqi Ding (2018, University of Manitoba), undergraduate, Mitacs Globalink Research Internship, supervisor
- Raul Gustavo Fernandes Messias (2015, University of Manitoba), undergraduate, Canada-Brazil Science without Border research program, supervisor
