University of Manitoba Transportation Option

Buses will be supervised by a leader who will meet you and your child at the pick-up/ drop-off location for which your child is pre-registered. Pick up/drop off times are approximate and can be effected by traffic. Adults are required to show photo ID when picking up a child. Buses will leave promptly at the time specified. If your child is not on the bus, he/she will be marked absent.

Upon arrival at the University, the Busing Leader will bring the children to the Busing Bleachers located in the Max Bell Centre. Instructors are assigned to meet the children at the Bus Bleachers and take them to their groups everyday.

Upon departure from the University, Program Instructors are assigned to meet your child at their camp and bring them to the Busing Bleachers at the end of the day. Bus leaders then take the children to their bus. Once the bus arrives at the drop-off location, the University is no longer responsible for your child.

**Children registered for the bus must ride the bus, unless a note is sent by the parent/guardian.*
