Inauguration & Award Ceremony

Scholarships, Bursaries and Prizes Not Awarded

A number of scholarships, bursaries and prizes were not awarded this year because the courses were not taught or the criteria for these awards were not met.

We are most grateful to the donors for their continuous generous support.

Donations Notice - MSBI Matching Grant

The Manitoba Government is continuing the Manitoba Scholarship and Bursary Initiative MSBI for the remainder of this fiscal year - to January 15, 2020.

The Manitoba Scholarship and Bursary Initiative was set up to promote donations for academic awards at Manitoba's post-secondary institutions. The provincial government will match gifts-donations for annual awards and spending allocations of existing trust and endowment funds in a 2 to 1 ratio (50% match) up to a maximum of the \$34,000 total allocated for St. Andrew's College for this year.

If you would like to make a bursary or scholarship award donation at St. Andrew's College, your gift will be matched 50% by the Manitoba government.

If you wish to do so, please contact the St. Andrew's College Office at (204) 474-8895 for further information. The deadline to make a donation under this matching grant program is January 15, 2020.
