REPORT OF THE CHAIR OF THE BOARD

BONNIE ELIUK

It has been an honour and privilege to serve as Chair of the Board of Directors of St Andrew's College along with the board members and strong team. We are grateful for the support and guidance of our College Chancellor His Eminence Metropolitan YURIJ, Very Reverend Father Taras Udod, Chair of the Presidium of the Consistory of the UOCC. The volunteer time of the members of the board of directors who actively contribute their time, expertise and knowledge to meetings and to committee work is truly appreciated.

The 2019-2020 year began successfully with the number of theology students and residence capacity. The Resident Student Council and the Theology Students Association remained vibrant in their social, educational, religious and cultural activities.

The annual December Full Board of Directors meeting and AGM of members of St. Andrew's College were well attended. Attendees honoured Rt. Reverend Dr. Oleh Krawchenko on the occasion of his retirement. The Hierarchical Divine Liturgy was accompanied by the St. Mary Protectress Sobor Parish choir. The Board wishes to acknowledge the contributions and ongoing support of the members and Chapters of the Order of St. Andrew.

In March, the lockdown due to the Pandemic significantly affected the number of students in residence and within the theology program. Because student residences were considered Essential Services, St Andrew's College remained at approximately twenty-five percent capacity with International and Canadian Students who had been unable to travel or study from home. The cafeteria and custodial staff continued to service the students under appropriate health guidelines. The administrative and office staff implemented safety guidelines for cleaning, social distancing and mask wearing to keep staff and students healthy through the Pandemic. The financial support of the wage subsidy program enabled maintenance of staff. We are thankful for the continuation of the Religious Worker Program for our graduates through the funding by a Ukrainian Orthodox Church of Canada Foundation Grant. Renovations of the student kitchen on the lower level of St. Andrew's College has been accomplished and will be available to students when the cafeteria is shut down for holidays.

HIS EMINENCE METROPOLITAN YURIJ AND CLERGY WITH MEMBERS OF THE ST. ANDREW'S COLLEGE BOARD OF DIRECTORS AND THE ORDER OF ST. ANDREW

The board is grateful to and would like to acknowledge the administrative, academic, office and support, catering and custodial staff for their hard work and appropriate delivery of service through the Pandemic lockdown.

The Board of Directors of St. Andrew's College would especially like to thank all who generously donate to the College Funds.

VERY REV. DR. ROMAN BOZYK

This report covers the period of July 1, 2019 to June 30, 2020 which is the fifteenth year that I am reporting for the Office of the Principal of St. Andrew's College.

I must again emphasize that the only way I have been able to effectively function as Acting Principal, along with all of the other duties that I have, is that St. Andrew's College is blessed with a very hard-working, competent and dedicated administrative and support staff, and I sincerely thank them for their commitment.

This has been a good year for the College financially, with responsible stewardship and fiscal planning, the stable income generated by the students and residence, the continued generosity of our donors and income from the St. Andrew's College Foundation, the College continues its good work and has had a balanced budget.

The two Religious Education Worker Projects continued this year. The structure of this project will be of great assistance, not only to the Theology student, but also to selected local UOCC clergy.

The Religious Education Worker project is a primary step in the immigration process and will assist a Theology student in the immigration process in order for him to become a Canadian citizen and serve in the Ukrainian Orthodox Church of Canada.

The Sobor Levy for St. Andrew's College has been a success. The first 3 levy-sponsored students have completed the B.Th. Program and will soon be good candidates for ordination.

J. G. Janitorial Services continue to provide efficient janitorial services to St. Andrew's College. The College engaged Makesmesmile Inc. Catering formerly St. Andrew's Catering for the years 2018-2023. We are very happy with their superior service. It is known all over the University of Manitoba that St. Andrew's College has the best food on campus.

COVID-19 HAS HAD A NUMBER OF EFFECTS ON THE FACULTY OF THEOLOGY AND ON THE FINANCES OF THE COLLEGE.

1. There are no new students this year in Theology. We truly miss the potential students that were not recruited in Ukraine as we were not able to travel to Ukraine in the spring of 2020. There are some who want to come from Ukraine, but the situation makes it very difficult to apply and fulfil the student requirements and travel. We hope that the situation will improve in the near future.

2. Financially, St. Andrew's College had only a partial income from summer residence fees as University summer classes were cancelled and most students stayed home. Likewise, our residence is only at 25% capacity for the Fall Semester as most University of Manitoba programs are taught online.

Normally the residence income is instrumental in having a balanced budget at the College. Last financial year which ended June 30, 2020 was a struggle, but this financial year will be very difficult.

3. Since the end of March 2020, for the health and safety of everyone, absolutely everything had to be cancelled due to COVID -19. Thus, there is very little income from tuition, residence, sale of parking passes, and food service and no income from Children's Programs (Mini College, Grade 6 Ukrainian Language Camp), workshops, lecture series, banquets, social, educational, and community events.

St. Andrew's College continued to host, support and make the College facilities available to many community, Ukrainian, Orthodox, Centre for Ukrainian Canadian Studies, and University of Manitoba events, speakers and visitors until mid-March when COVID -19 restrictions stopped these activities.

WHAT HAS THE COLLEGE DONE NOW TO ADAPT TO THE COVID -19 CONDITIONS.

1. The College building, like most of the University of Manitoba has been and is in lockdown since March 2020.

The external doors are locked day and night and visits to the college are limited. This has helped keep the students and staff safe. Those who want to visit must telephone in advance and someone will meet them at the door.

2. The reduced Theology Program continues on-line for those at home and in person with the students who live in residence and those who are given keys to attend classes.

3. All meetings of the Board of Directors, Faculty of Theology, and Senate are held by teleconference.

4. No summer staff was hired and the College has carried on with the main staff who are working very diligently.

5. The Faculty of Theology Program has been reduced, but is covering the essential courses for the students enrolled.

6. The College was able to benefit from the federal government wage subsidy and by doing so we have been able to limit financial losses while ensuring the continuance of essential services and programs.

We all hope that the pandemic conditions end soon and we hope that more students, both in Theology and in residence will come to St. Andrew's College in the Second Semester in January 2021 and in September 2021.

A great deal of administrative and support staff time is spent on preparing and delivering College reports (among others, to the College Board annual meeting, to the 3 Eparchies of our Church, and to the Sobor of our Church). Likewise, the staff members prepare two Newsletters and a Christmas Card appeal each year (financial campaigns).

I would like to express my gratitude to the Chair Ms. Bonnie Eliuk and Members of the Board of Directors for their trust and support and for their unwavering commitment to the mission of St. Andrew's College, and to the Faculty of Theology, the Library and support staff for their hard work, dedication and professionalism. Thank you to the donors and benefactors who support the College with their gifts and prayers, and to the members of the Order of St. Andrew for their continuing support.

I sincerely thank the leaders of the Ukrainian Orthodox Church of Canada, especially our Chancellor His Eminence Metropolitan YURIJ for his support, wisdom and advice, and V. Rev. Fr. Taras Udod, Chancellor of the Ukrainian Orthodox Church of Canada for his helpful and willing co-operation.

During this year, along with routine duties dealing with library patrons and students, ordering and cataloguing acquisitions, sorting and registering donated books, the library employees undertook the following very important projects.

- Library staff members are continuing the ongoing review, correction and verification of all author and title cards of the pamphlet's collection. They are sorting and organizing boxes of brochures to make them more accessible for our guests.
- Our employees are proceeding, as time allows, with an ongoing project- a compilation and cataloguing of our duplicates holdings.

ЗВІТ ДЕКАНА БОГОСЛОВСЬКОГО ФАКУЛЬТЕТУ ПРОТ. Д-Р РОМАН БОЖИК

У цьому 2019-2020 академічному році, склад Богословського Факультету був такий:

Повноштатні професори:

- **Прот. д-р Роман Божик** - 4 курси.
Прот. Роман Божик виконує обов'язки Декана, Реєстратора, Капеляна студентів і настоятеля Каплиці Святого Андрея і Діючого Ректора.

Неповноштатні професори:

- **д-р Роман Єринюк** - 1 курс і редактор журналу „Віра й Культура”.
- **Прот. Олександр Гаркавий** - 1 курс і хор
- **Прот. д-р Ігор Куташи** - 4 курси
- **о. д-р Тимотей Храпко** - 2 курси

Кожен член професорсько-викладацького складу Богословського факультету Колегії Св. Андрея радо прийме Ваше запрошення, щоб виступити із доповіддю або лекцією у парафії чи на з'їздах.

Окрім заочних і неповноштатних студентів, було п'ять (5) студентів повноштатних. Більшість з яких із Української Православної Церкви –4:

УКРАЇНА - 3
САСКАЧЕВАН - 1

Із Сербської Православної Церкви –1

Милосердний Господь минулого року поблагословив Богословський Факультет Колегії Св. Андрея із побожною та доброю групою студентів. Троє випускників Богословського Факультету, що перебувають у Вінніпезі вже апробовані на висвяту, та сумлінно готуються чекаючи на визначення дати й місця проведення.

Якщо Ви знаєте когось, хто би був кандидатом на священика, дайте знати їм про Колегію та заохочуйте їх прийти вчитися на Богословський Факультет Колегії Св. Андрея.

Кожного місяця під час академічного року студенти Богослов'я спільно із місцевими священиками відвідують будинок для людей похилого віку у Вінніпезі. Вони також намагаються брати активну участь у різноманітних проектах, організованих

Студентською Радою Колегії або ж Асоціацією українських студентів при Університеті Манітоби.

Закінчення 2019-2020 академічного року суттєво відрізнялося від його початку. Адже від 16 березня відбулося багато змін, пов'язаних із пандемією коронавірусу.

COVID-19 значною мірою вплинув як і на весь світ загалом, так і на функціональність Колегії Святого Андрея зокрема. Ми надзвичайно раді, що жоден із студентів та працівників не захворів на коронавірус, та Колегія успішно продовжує виконувати свою місію, дотримуючись усіх карантинних обмежень.

Склад студентів зараз невеликий, адже поїздка в Україну, що була запланована весною задля пошуку нових студентів, була відмінена. Всього на Богословському факультеті навчається троє студентів, заняття у яких проходять онлайн.

Із професорсько-викладацького складу Богословського факультету зараз тільки один, хто працює повноштатно - Прот. д-р Роман Божик (Декан, Капелян, Діючий Ректор і викладач) та двоє неповноштатних - д-р Роман Єринюк та о. д-р Тимотей Храпко.

Попри обмеження пов'язаних із коронавірусом, я мав нагоду брати участь у різних академічних та духовних конференціях. Зокрема:

- доповідав на з'їзді Духовенства Середньої Єпархії про поради взяті із старозавітньої Книги Сирах щодо релігійних чи духовних реакцій на сучасну кризу спричинену коронавірусом.
- Проводив лекцію для курсу в St. Paul's College про Патріарха Варфоломея та його настанов у подоланні екологічної кризи у сучасному світі.
- Відвідував онлайн лекцію на тему Православ'я та секуляризму, що проводилась у Православному центрі в Кембріджі у Великобританії.

Дякую Високопреосвященнішому Митрополитові ЮРІЄВІ за поради і благословення.

Також, щиро дякую Голові Дирекції, пані Боні Ілюк, усім членам Дирекції Колегії Св. Андрея, академічному та адміністративному персоналу та усім жертводавцям Колегії Святого Андрея.

REPORT OF THE DEAN OF THEOLOGY

VERY REV. DR. ROMAN BOZYK

During the 2019-2020 academic year, the teaching staff of the Faculty of Theology was:

Full-time:

- **V. Rev. Dr. Roman Bozyk** - 4 courses.
Fr. Roman Bozyk also served the College as Dean, Registrar, Chaplain of students and Parish Priest of the Chapel, and Acting Principal.

Part-time:

- **Dr. Roman Yereniuk** - 1 course and editor of "Faith and Culture".
- **V. Rev. Fr. Alexander Harkavyi** - 1 course and choir
- **Rt. Rev. Fr. Dr. Ihor Kutash** - 4 courses
- **Rev. Dr. Timothy Chrapko** - 2 courses

Each member of the academic staff of the Faculty of Theology of St. Andrew's College would be happy to accept an invitation to speak at a parish or conference or event.

There were five (5) full-time Theology students registered in the 2019-2020 academic year in addition to part-time and correspondence students. Most of the full-time students were from the Ukrainian Orthodox Church - 4:

Ukraine - 3
Saskatchewan - 1

From the Serbian Orthodox Church - 1

Our Lord Jesus Christ has blessed the Faculty of Theology of St. Andrew's College last year with a good pious cohort of students. Three of the graduates who are still in Winnipeg as part of the College Community have been already approved for ordination and are waiting and preparing for their ordination dates to be announced.

If you know someone who would be a good candidate for service in the Church, please encourage them to study Theology at St. Andrew's College.

The students of Theology, during the last academic year, along with local clergy, have monthly visited a senior care home in Winnipeg. The students of Theology endeavor to participate in and support the activities of the St. Andrew's College Resident student Council and the

Ukrainian Student Association of the University of Manitoba.

The academic year of 2019-2020 ended very differently than it started. From mid-March onward many things changed as a result of the COVID-19 restrictions. COVID-19 has greatly impacted St. Andrew's College as it has the entire world. We have placed the College in lockdown and, thank God, not one of the students or staff has become ill. We continue with our mission but this year is like no other.

First of all, we have only a small group of students. Canadian students are studying on-line from home this year and we were unable to visit Ukraine to recruit a new cohort of students for the Faculty of Theology.

There are now 3 students studying in the Faculty of Theology.

There is one full-time person on the Academic staff of St. Andrew's College:

Fr. Dr. Roman Bozyk – Dean, Chaplain, Acting Principal and Assistant Professor;

Teaching part-time are:

Dr. Roman Yereniuk and Fr. Dr. Timothy Chrapko

In spite of COVID-19, I have continued to "visit" various academic/spiritual conferences: I spoke to the clergy of the Central Eparchy on Zoom about the teachings of the Biblical Book of Sirach which touch upon the religious, faith-based reactions to current COVID-19 issues. I gave a guest lecture on Patriarch Bartholomew and his Green Orthodox teachings on the environmental issues in a course at St. Paul's College. Also, I attended, virtually, a short lecture on Orthodoxy and Secularism at the Orthodox Centre, Cambridge, UK.

Thank you to His Eminence Metropolitan YURIJ, Chancellor of St. Andrew's College for his advice and support.

Sincere thank you to the Chair of the Board of Directors, Ms. Bonnie Eliuk, all the Members of the Board of Directors of St. Andrew's College, the academic and administrative staff and, of course, to the many supporters and donors of St. Andrew's College.

Additional Curriculum opportunities for students:

We have worked with German and Slavic Studies to increase possibilities for students as they undertake their undergraduate programs. We have proposed the addition of several of the department's courses to be acceptable as part of the program for UCHS students and they are adding or cross-listing some of the UCHS program courses.

A number of changes were made to increase the selection of courses offered to UCHS programs students with the hope of making a major and/or minor in the program more attractive and attainable to Bachelor of Arts students at the UM. These changes will take effect in 2021 fall.

Undergraduate Program Review:

Dr. Serge Cipko, Dr. Chris Hrynkow & Dr. Charlotte Enns met with a variety of stakeholders December 10 & 11, 2019. They were very helpful and open in their work and their review report was received in January. The report recommended more resources be designated by the UM administration to support the program, included hiring of two faculty members, one to manage the CUCS as part of their duties. The program was seen as a great value and need to increase course offerings and research done in the Centre. Reports by the Review Team, the Acting Director, and the Faculty of Arts were shared with the PC membership by email.

Changes to the Leadership Structure:

With a change to the management structure of the CUCS, we held a search and with a number of excellent candidates were able to hire Ms. Yuliia Ivaniuk who began in the position of Coordinator on December 1, 2020.

Changes to Administrative Support:

Ms. Tammy de Jong moved to a new position and Mr. Harshiv Bagha has joined the CUCS team as of December, 2020. Thank you again to Tammy, and "welcome" Harshiv, who has already proven to be a wonderful resource.

Visiting Student:

PhD Student, Ms. Mariana Hasiak, from Lviv Polytechnic National University (LPNU) moved to Winnipeg for the Winter term, but with COVID-19 restrictions, ended up staying until June 13, 2020. She was registered in the Peace and Conflict Studies program for courses that would assist her in her work with former military members and their families and their use of higher education as they re-enter civil society. She was greatly supported by a scholarship from St. Andrew's College.

ACTING DIRECTOR'S CUCS-CONNECTED ADDITIONAL ACTIVITIES

Research:

In late fall, 2019, Flaherty & Ivaniuk received JFREB approval and began to recruit for the study, Canadian Ukrainian's Stories and Dreams. We began recruitment; however, we had to put that on hold until after COVID isolation is eased up. In November we achieved approval from JFREB to allow zoom interviews for the research project, Canadian Ukrainian Stories and Dreams and so began those interviews in earnest in November, 2020.

Other research projects are collaborative with colleagues from Ukraine as we look at existing and necessary mental health services in both Lviv oblast and Winnipeg Region.
