Conference season is in full swing and has already seen Team Canada Volleyball, and the Woodcarvers come and go. We are currently hosting a large group of IEP students, and that will continue in some capacity throughout the majority of the summer. We remain on course to meet our budgeted amounts.

The tender process for the renovations to Room 118 was closed last Monday, and we expect to hear from the University in the very near future, who has been awarded the project, and when they will begin the work.

Repairs planned for the exterior and interior wall of the Faculty Lounge are also expected to begin soon, but we don’t have a firm date yet. Since the Faculty Lounge wall is in close proximity to room 118, some coordination between the two projects is likely to be needed.

The new University Financial software (Aurora) has been live since the beginning of April, all new transactions and report views are now flowing through the new system.

Campus Beautification Day is scheduled for Thursday, May 25th and anyone who is interested in volunteering can contact Bruce Mahaffy.

e) Chaplain & Dean of Residence

Residence
Dr. Len Kuffert has agreed to continue as chair person of the Peer Review Board. Again, we are very grateful to Dr. Kuffert for his leadership on this board.

At the time of this meeting, we have 59 applications for Returning Residents (5 are for the apartments), 30 rooms reserved but not confirmed for Intensive English Program students, and 26 applications for New Residents (115 total – including the IEP rooms). There are 96 single rooms in the residence.

The Dons’ Team will join with Housing and Student Life Residence Assistants for Training in August. The Dons Team for next year will include Heather Bartley as Senior Don, and Brett Madill, Tolu Sodeyi and Carleigh Malanik as Junior Dons. The Co-Presidents of the Residence Association for the academic year 2006-07 will be Elizabeth Holding and Renée Alexander. The International Student Representative will be Mandy Mou.

The next recruiting event for the College and the Residence will be on June 3, 2006 with the Parents’ Program Orientation at the Investors Group Athletic Centre. We anticipate an attendance of 1,000 to 1,200 parents and students.

Chapel Report
On Tuesday April 18, St John’s Chaplaincy and the Art Music and Social Committee joined forces for the Long Dark Tea Time of the Soul sherry and tea party. Approximately 30 students and a number of Fellows attended the event.

A Celebration of the Life of Lawrence Ritchey will take place May 18 at 3 p.m. with music and prayers in the Chapel. Professor Lottie Enns-Braun and Mr. Michael Cutler will be playing for this service. There will be a reception in the Faculty Lounge following the service.

Church services are continuing during the summer months, with the exception that there is only one
service on Sunday when there is Choral Evensong. There will be an Ascension Day service on Thursday May 25 at 7:30 p.m. with All the King’s Men leading the music for the service.

Response to Faculty Review

In April 2006, the Faculty of Theology conducted its 3-year external review process. The Rev. Dr. Boyd Morgan, retired Provost of Queens College, Memorial University, was asked to conduct the review. His report has been previously circulated to members of Assembly and Council with an undertaking that I would submit my response to the September meetings of Assembly and Council.

In his final report, Dr. Morgan outlined six recommendations to which I now respond:

1) Recommendation 1: During the next round of discussions regarding curriculum development, attention should be given to a greater emphasis being placed upon liturgical theology as part of the core curriculum and in particular developments which occurred within the Anglican Church of Canada between 1962 and the present.

Response: We will take this under advisement. There is already an Advanced Certificate course in place that considers Anglican Liturgy (SJH101) though with an emphasis mainly on primary liturgical texts. The recommendation looks for a more contemporary balance. We will review this.

2) Recommendation 2: That the Ministry Placement Supervisor be given the opportunity to attend the next meeting of the Association of Theological Field Educators, which is part of The Association of Theological Schools in the United States and Canada (A.T.S.).

Response: We cannot meet this recommendation in 2006/07 but will endeavour to do so in future years particularly with the Winnipeg Theological Cooperative now finalising ATS membership.

3) Recommendation 3: That the Ministry Placement Supervisor be given an honorarium for his or her work within the program. It is suggested that this honorarium should be tied to the present rate for sessional lecturers but pro rated over a ten month period rather and a thirteen week semester.

Response: This recommendation will be met for the 2007/08 academic year.

4) Recommendation 4: That in future selection of instructors attention be given to gender and clerical/lay balance within the Faculty.

Response: The Faculty is alert to this while its primary concern is to use instructors having the required background to teach our courses. Our present list of active instructors does include a measure of gender/lay balance. I can elaborate if members wish.

5) Recommendation 5: That high priority be given to hiring a third member of full-time faculty, in order to enable program expansion and sustain the long term health of the existing programs.

Response: We are in full agreement with this recommendation. If the Faculty were to reinstate its M.Div. Program, an additional hire would of course be necessary. Budgetary constraints make this impossible in the short term but it remains a serious goal of the Faculty and conversations about long term funding continue.

6) Recommendation 6: That the College seek new sources of funding for the immediate as well as for the long term viability of the Faculty of Theology.

Response: See my response to Recommendation #5.

Respectfully submitted,
John Stafford, Dean of Theology

Item 5. f) on the agenda
Dean of Studies Position

G. Baldwin, Dean of Studies will be going on leave January 1, 2007 and has submitted his resignation from his position as Dean of Studies Effective December 31, 2006. As a result Assembly Executive Committee made the following nomination and will also accept additional nominations at the Assembly meeting:

Assembly Ex MOTION: That Chris Trott be nominated as the Dean of Studies from January 1 2007 to June 30 2009.

Secretary’s note: Normally the Dean of Studies term is a three-year term. The committee felt that since the current Warden’s term ends at the end of 2010 it would be best if this Dean of Studies term was 2 ½ years to allow the following Dean of Studies to be in place for at least a year before the end of the Warden’s term.

Re: Report to Assembly

The Scholarship Committee received the following information or made the following motions at its meeting on August 29, 2006:

1. It was reported for the Committee's information only that one of the students selected to receive the Alfred H. Shephard Bursary, Prateep Nayak, declined his award of $1350 after receiving a major award from another source. The award was accepted by the first alternate, S. M. Munjurul Khan.

2. The Committee approved draft revisions to the terms of the Sibyl Inkster Centennial Award, subject to Assembly's approval. The draft revisions are attached (attachment 1).

3. The Committee selected recipients and alternates for a number of awards (attachment 2). They are to be reported to Assembly for information only.
THE SIBYL INKSTER CENTENNIAL MEDAL
(also known as the Sibyl Inkster Centennial Award)

Draft Revisions

Background:
- established with funds from the Sibyl Inkster Estate, July 23, 1975
- this award was possibly once known as the College Centennial Gold Medal.
- Sibyl Inkster was a College graduate (1898) and Honorary Fellow.

Amount to be awarded annually: 1 of $100

Date of First Award: 1966 ("Medal")

Criteria: For academic excellence in the graduating year of the General Arts program.

Deadline Date: n/a

Process for Selecting Recipient:

DELETE: In May, the Registrar will review the records of members graduating from the General Arts program and select the student with the highest sessional grade point average.

ADD: In September, the Awards Clerk will present to the Scholarship Committee a list of St John's College members graduating from the General Arts program in that calendar year.* For each candidate, the Awards Clerk will calculate a grade point average based on the student's last 30 completed credit hours. Grades from earlier sessions will be included in the calculation if needed to bring the total to 30 credit hours. When a student has completed over 30 credit hours in a single session (or in multiple sessions added together), only the best 30 will be taken into account in calculating the average.

Course load will be considered.

ADD: *Members who declare an October graduation date after the Awards Clerk has prepared the list of candidates in September will not be considered.

The Awards Clerk will have the recipient's name and the year engraved on the medal to be presented at Convocation.

The Scholarship Committee acts in Assembly's name with respect to final selection of recipients of individual scholarships, bursaries, awards, and prizes, and reports its actions at the following meeting of Assembly.

Warden's Report to Assembly

In June, the Director of Libraries for the University of Manitoba, and I agreed to have an appraisal done of the King James Bible and other items in the St John's College collection that are housed in the rare book room. As can be seen from the attached letter, the Bible is appraised at $135,000 CAD. The University of Manitoba is carrying the insurance on this collection.

Over the summer, the Chaplain and I have worked on a Chapel Use policy which is being recommended to College Council at its next meeting. Once it has been approved, it will be forwarded to Assembly for information.

On June 1-3, I participated in meetings of the Anglican Heads' of Colleges at the Atlantic School of Theology in Halifax. On July 25th and 26th, I met with alumni and college supporters in Regina and Calgary.

I am serving on the search committee for the Dean of Music. The advertisement as gone out and the interviews are scheduled for the end of November. I have begun my last year as a Senate representative on the Board of Governors. The Annual General meeting and a meeting of the Board is scheduled for September 19th.

We have recently developed a partnership with the Faculty of Music. Beginning on October 4, Faculty of Music students will perform in the Daily Bread Café every Thursday evening from 6 till 9 pm. I have attached a copy of our ad in the September issue of Dig magazine, as well as a small article in the same magazine.

RE: Appraisal, St. James Bible

I am attaching for your information and records a copy of the appraisal completed on the 1611 Holy Bible [the so-called King James Version].

The appraised replacement value assigned to our copy is $135,000 CAD. The amount is certainly less than we thought, however the appraisal is, in my view, fair and just. We will inform the University of the value.

We are also proceeding on appraising all the material in the St. John's collection currently housed in the rare book room. I will let you know the results of that appraisal.

Dear Mr. Hubner:

I have examined the documentation sent me concerning the 1611 Holy Bible [the so-called King James Version] in the University’s collection. A complete detailed collation of this particular copy is appended for identification and appraisal purposes.

The defects in this copy are typical of many copies that come on the market, e.g., the lack of the title page, dedicatory epistle, map, various torn or damaged pages, etc. However, the volume appears to be bound retaining its contemporary boards, a portion at least of the original stamped leather covers, and perhaps some of the original metal corners and clasp. Marginal and other repairs for the most part look to be expertly accomplished. Textual indications are that it is the first edition, a she variant, with several key errors indicating an early issue apparent (e.g., hoopes for hookes at Exodus 38:11, he for she at Ruth 3:15, etc.), though the complexities of the book’s printing are still under debate.

Numerous copies of this book appear in sales and other records yearly, most commonly with a wide range of defects, at prices ranging from $50,000 - $400,000.

Taking all the above into consideration, I have appraised the replacement value of this particular copy at $135,000.00 CAD. That is, one could likely obtain, at auction or from a retailer, a copy with a similar panoply of defects, of early issue, and some remnant of original or contemporary binding at approximately this price.

If you have questions regarding this appraisal, or if I can be of further service, please call at your convenience.

Best regards,

Stephen C. Lunsford

St. John's College at the University of Manitoba is the site of the newest project to feature up-and-coming performers in the city. Starting in October, the Daily Bread Café will morph into a club each Thursday evening from 6 until 9.

The first and third Thursdays will feature jazz in a format like the Freewheel; the first set, featuring one of the top U of M jazz bands, will be followed by a jam session where any jazz players are welcome to sign up & play.

Janet Hodgins, the Warden at St. John's College, approached Steve Kirby awhile back to put a jazz band in the café each Thursday, but his first impulse was to take fuller advantage of the campus setting and mix it up a bit. So the series will showcase jazz on the first and third Thursdays each month, but the other weeks will feature different musicians. Opera and musical theatre students will perform on the second Thursday of each month. Kirby says, "I'm looking forward to the singers—they'll be bringing back the excitement of Italian opera's heyday, when singers got creative with their cadenzas and audiences got very involved."

The fourth Thursday of each month will be more of a potpourri—you might hear the newest concept music, often multimedia, from students and professors in the composition arm of the Faculty of Music, or you might hear a folk or rock or Latin band. These might be on-campus groups or not, and people are welcome to submit a demo to Steve or Anna-Lisa Kirby at the Faculty of Music if they'd like a group to be considered for that slot.

"It's a great opportunity for students to perform for their peers," says Kirby. "The Daily Bread Café is becoming a campus club. You can get wine or beer there, and breaking the tradition of jazz clubs, the food is actually good!"
