Logging Into Argos

If you are already set up with an Argos userid please refer to this document. For more detailed instructions on requesting an Argos userid or on installing Argos on your computer please refer to the following URL:

http://umanitoba.ca/computing/ist/internal/admin_sys/apptech/aisr/Argos-GettingStarted.html

Please note that the browser of choice for Argos is Internet Explorer version 8.0. There are issues using Argos with a Mac or with Mozilla Firefox. If you are using Internet Explorer version 9.0 the enhanced security will necessitate adding the resource names into the trusted sites list. If you have trouble loading the Argos program please contact the IST Service Desk.

Navigate to the “Reporting” option on the Aurora Finance webpage.
