In memory of his parents, Kao Hung-Pin and Kao Liu-Shih, Professor Kwan C. Kao has established a scholarship fund at The University of Manitoba.

From this fund an annual scholarship of \$200 will be available, effective with the spring series of examinations in 1982, to a student who:

- (1) has completed with highest standing three years of study in the Faculty of Education; and,
- (2) proceeds in the next ensuing academic year to the fourth year in the Faculty of Education (a) leading to certification, and (b) preparing for teaching in kindergarten or elementary school.

The state of the fund supporting this scholarship will be reviewed regularly and, if earnings permit, the annual value of the scholarship will be increased.
