BESSIE TURNER MEMORIAL PRIZE

In memorial tribute to Mary Elizabeth Turner, a fund has been established at The University of Manitoba. Mrs. Turner, a dedicated and enthusiastic teacher and an acknowledged expert in primary teaching methods, taught at the Manitoba Normal School and Teacher's College until joining the University staff when the Teacher's College was absorbed by the University Faculty of Education.

Beginning with the spring series of examinations in 1976 an annual prize will be awarded to the student who in fulfilling the requirements for teaching certification has, in the opinion of a committee of three primary specialists, shown the greatest promise of professional competence in the field of primary teaching. The value of the prize will be \$100. If there are additions to the fund, consideration will be given to increasing the value of the annual prize.
