In the event of a discrepancy between this summary and the Academic Calendar, the Academic Calendar shall prevail.

While advisors confer with students about courses and educational experiences, students are responsible for defining the content of their academic program, being aware of all graduation requirements, and making progress toward an academic degree. Advisors will assist students in designing an appropriate course of study that will satisfy requirements for graduation as well as offer information on particular courses and University rules and procedures. This does not replace conferring with your academic advisor.

For any concerns or queries, please book a meeting with an academic advisor or email Riddell.Advisor@umanitoba.ca.
