Hazardous Waste Disposal Form

General Information

Name:

Please label all containers clearly with chemical name(s) and approximate concentrations. For items that are potentially explosive or unknowns, please contact the Environmental Health and Safety.

Please avoid the use of trade names, abbreviations, or chemical formulas for chemical names.

Please try to fill containers to 90% of their capacity prior to pick up from our office.

Once this form is completed, submit this as an attachment to HazWaste@umanitoba.ca.
