

# 9th Partnership Conference: Iceland - August 29-30 2019

## CALL FOR PROPOSALS

The 9th Partnership Conference of the University of Manitoba and the University of Iceland will be held at the University of Iceland on August 29–30, 2019. **The subject of the conference is both spatial and temporal migration, highlighting lived experiences.** Proposals from a range of fields are welcome, dealing with the topic in literature, language, history, anthropology, museology, theatre, law, agriculture, engineering, geology and earth science, in reference to Canada and/or Iceland.

Proposals for conference papers must be submitted by January 31, 2019 to the Icelandic Department at the University of Manitoba ([um\\_icelandic@umanitoba.ca](mailto:um_icelandic@umanitoba.ca)) and must contain:

- \*Title and topic
- \*An outline of the argument
- \*The relationship between the topic and the theme of the conference
- \*The anticipated contribution of the paper

Papers will be juried by a committee of faculty at the University of Manitoba and the University of Iceland.
