C. Cost Offsetting Benefits:

- Financial Aid: International Graduate Student Bursary ([IGSB](#)): Awarding of this bursary is based on grade point average and verification of need. It will help to provide financial aid in subsequent years when full tuition fee is required, and is administered by the Financial Aid and Awards Office.
- Grants: Students may receive a grant stipend from their academic advisor if funds are available.
- Loans: Students may apply for student loans but these loans are not financed through the University.
- Tuition Remission: International Graduate Student Entrance Scholarship ([IGSES](#)). International students entering their first year of full-time graduate studies in pursuit of a Master's, PhD or Graduate Diploma may be eligible for this scholarship. Academic qualification for this scholarship is a grade point average

(GPA) of 3.5 in the previous two years of study. When we calculate your GPA during the admission process, we will determine your eligibility, so there is no need to apply for this scholarship.

- e) Assistantships: Students may apply for Research Assistantships (current salary range \$10.07-\$18.00 per hour, subject to available funding); Teaching Assistantships (currently \$20.48 per hour, subject to new contract increase); and Grader/Marker (currently \$13.57 per hour) positions.

D. Fellowships/Scholarships:

The following awards are available to Canadian citizens or permanent residents and to International Students where indicated:
