Course Description

(Formerly 053.255) This half-course surveys a broad array of landforms in the world and the geomorphic processes responsible for their creation. Attention is strongly focused on those landform processes originating at the Earth's surface. Prerequisite: GEOG 1200 or GEOG 1201 (053.120) (C), or GEOG 1280 or GEOG 1281 (053.128) (C) or GEOG 1290 or GEOG 1291 (053.129), or permission of department head.

Course Goals

This course surveys important concepts in geomorphology, focusing on examples of landforms and processes that do contribute, or have contributed in the past, to the appearance of the Canadian landscape. With its immense size, Canada has a wide variety of landscapes in which tectonic, weathering, mass wasting, fluvial, glacial, periglacial, coastal, and karst processes are currently active. Past events also need to be considered to fully understand the Earth's surface landforms.

Upon completion of this course, you will be able to:

- Demonstrate an understanding of the important concepts of landforms and geomorphic processes.
- Describe examples of landforms and processes that do contribute, or have contributed in the past to the appearance of the Canadian Landscape.
- Acquire the basic technical skills required in geomorphology, including the mastery of vocabulary, and the ability to find relevant literature and resources in the library and on the internet.

Method of Evaluation

Students will be evaluated via two midterm tests (2 x 20% = 40%), one final Exam (30%), 3 assignments (collectively worth 30%).

Midterm Test I (Part A): Oct. 13; 50 minutes (20% of course value)

Midterm Test II (Part B): Nov. 10; 50 minutes (20% of course value)

Final Exam (Part C - cumulative): TBA (40% of course value)
Examination Period: Dec. 11-23, 2015

Assignment 1 (Geomorphic Photographic Diary): Dec. 1, 2017 (20% of course value)

**Additional information to be provided regarding assignment, including grading rubric.

The Grade distribution for this course is as follows:

A+: 90% or above (Exceptional)	C+: 65 - 69% (Satisfactory)
A: 80 - 89% (Excellent)	C: 60 - 64% (Adequate)
B+: 75 - 79% (Very Good)	D: 50 - 59% (Marginal)
B: 70 - 74% (Good)	F: ≤ 49% (Failure)

Note: Students are not permitted to submit “bonus” assignments in addition to the regular term tests and final exam to improve their grade. The grading scheme will only be adjusted for documented, extenuating circumstances.

Assignment:

- A Rubrics and written feedback will be provided.
- Students are required to submit both a hardcopy (to the instructor) and digital copy (through *UM Learn* Dropbox) for all assignments.
- Assignments are due by 4:00 PM on the due date as either a **hard copy or digital copy (submitted online through UM Learn)**. **Reminder that if a digital copy is submitted, the hard copy must be submitted the following workday and must be an exact replica. The instructor will only grade hard copies.**
- If you are having difficulty with completing an assignment on time, please talk to the instructor ahead of time, as alternate arrangements may be possible.
- Ten percent (10%) a day will be deducted for late assignments, including weekends commencing as soon as the submission deadline has lapsed. Assignments will no longer be accepted one week after the due date.
- ***All work is to be completed independently unless otherwise specified. See information on academic integrity below.***

Test and Final Exam Format:

- May include multiple choice, short and long answer questions, concept sketches/diagrams will be based on lectures, assigned readings, videos, class discussions and activities, and the corresponding readings in the course textbook.
- Students who miss a test due to a documented medical or personal emergency will be offered a rewrite. ***See Policy Regarding Missed Midterm Tests.***

Test and Final Exam Regulations:

- In all tests and exams, **NO** dictionaries, digital dictionaries, notes, books, textbooks, cellphones, PDAs (such as Palm Pilots) or text messaging devices are allowed.

- Please note that reasonable reasons for missing a test or exam do **NOT** include: vacations (even with relatives), long weekends away, other course work, etc.
- It is the student’s responsibility to confirm via email the date, time, and location of the makeup test.
- If in doubt about what is an appropriate reason for missing a midterm, please ask the instructor prior to the test via email. If you have not received a response from the instructor via email, students are highly encouraged to talk to the instructor prior to the exam. Once a test is started, regardless of the outcome, students will not be offered a makeup test.

Policy Regarding Missed Final Exam

- If you cannot take the final examination due to illness or compassionate distress (documented), you must fill in a request for a deferred examination with your **own faculty** office. A courtesy email to the instructor is recommended.
