Midterm Test and Final Exam Information

- In all tests and exams, **NO unauthorized materials are permitted.** *Unauthorized materials **many include, but are not limited to:*** dictionaries, notes, books, textbooks, cellphones, smart watches, or any device capable of storage and/or wireless communication.
- Students are responsible for appropriately concealing their test and exam answers in order to prevent copying by other students. Allowing another student to copy off of your test/exam is considered cheating, and therefore academic misconduct. Academic misconduct charges will be pursued if a student violates these instructions.
- Please consult policy regarding **Academic Integrity** below.

Test and Final Exam Format

- Multiple choice, short answer and diagram questions will be based on lectures, assigned readings, videos, class discussions and activities, and the corresponding readings in the course textbook.
- Approximately 10% of the midterm and final exam questions may come from the course textbook, which may not have been covered in lecture. On the midterms and final exam, these questions will be identified as textbook questions in brackets at the end of the question “(textbook question)”
- The final exam is **cumulative** (approximately 50% of questions come from course material covered in Midterm I and II, and 50% of questions come from material covered after Midterm II).
- Students who miss a midterm test due to a documented medical or personal emergency will be **not** be offered a “makeup” test. **See Policy Regarding Missed Midterm Tests.**

Midterm Test Review

- Test questions will **NOT** be returned or posted on *UM Learn*.
- Tests will be reviewed during lecture as soon as possible (usually within two (2) days). While reviewing tests, students are permitted to make **handwritten notes only**.
- Students are permitted to review their midterm test provided they make an appointment via email within five (5) days of the in-class review.
- **Students who fail to show up for an appointment without informing the instructor in advance, will not be rescheduled.**

Policy Regarding Missed Midterm Tests

- **No** “makeup” or “re-write” tests will be offered. Students who miss a midterm test will have their final exam reweighted to account for the missing test only if appropriate medical/professional documentation has been provided by **email** (to your instructor) within **48 hours** of the missed midterm test. Failure to provide this documentation within **48 hours** will result in a grade of zero (0) being assigned for the missed midterm test.
- For example, if a student misses 1 midterm and provides documentation within 48 hours, the final exam will be reweighted to **60%** instead of the original 40% (20% + 40% = 60%).
- Medical/professional documentation **MUST** be legible and state that you were **UNABLE** to write the midterm test due to a medical circumstance on the day of the midterm test or exam. A note that you “saw a doctor” is **NOT** considered medical documentation.
- Please note that reasonable reasons for missing a test or exam do **NOT** include: vacations, long weekends away, other course work, other tests or quizzes on the same day etc..
- If in doubt about what is an appropriate reason for missing a test exam, please ask the instructor prior to the test or due date via email. If you have not received a response from the instructor via email, students are highly encouraged to talk to the instructor prior to the test/online quiz/exam. Once a test is started, regardless of the outcome, students will not be offered a makeup test.

Policy Regarding Missed/Deferred Final Exam

- If you cannot take the final examination due to illness or compassionate distress (documented), you must fill in a request for a deferred examination with your **own faculty** office. A courtesy email to the instructor is recommended.
- The Department of Environment and Geography schedules deferred exams for this course once the required paper work has been received from the student’s home faculty.
- Students will be notified by the Department of Environment and Geography via email (U of M accounts only) when the deferred exam is scheduled.
- Students must bring student ID or photo identification to the deferred exam.

- It is the student's responsibility to communicate via their U of M email to make arrangements for the deferred exam.
- For more information: <http://umanitoba.ca/student/records/finals/682.html>

Quiz Format

- There will be three (3), 15-20 minute in-class quizzes. Quizzes may be a combination of map questions, short answer, multiple choice, true and false and matching questions and will be based on information covered in previous classes.

Policy Regarding Missed Quiz(zes):

- Make-up quizzes will not be offered. For example, if a student misses 1 quiz, the remaining 2 quizzes will be reweighted to 7.5% each ($2 * 7.5\% = 15\%$)
- You must inform the instructor promptly (within **24** hours or as soon as physically possible) by email.
- Absence from quiz must be justified by a medical or personal emergency – appropriate supporting professional documentation must be provided. Your medical documentation **MUST** be legible and state that you were **UNABLE** to attend class due to a medical/compassionate circumstance. A note that you “saw a doctor” is **NOT** considered medical documentation.
- Documentation must be presented within **48** hours of the missed test/quiz in order to qualify for reweighting of quiz marks. Failure to provide this documentation within 48 hours will result in a grade of zero (0) being assigned for the missed test /exam
- Please note that “reasonable reasons for missing an exam” do **NOT** include: vacations (even with relatives), long weekends away, or other course work.

iClicker Participation Bonus

- This class will use iClicker Reef to conduct polls and quizzes in class. These are optional for students to answer.
- To participate, you are required to bring your own device with the iClicker reef app (smartphone or tablet), or utilize the iClicker website on your laptop and add the **GEOG 2570 A02** class (Course ID: GEOG 2570 A02 Fall 2019 (Wilson)) in order to complete the iClicker questions.
- Students who answer 80-100% of the questions during the term will earn 1% bonus, which will be added to their final grade.
- Students who answer 60-80% of the questions will earn 0.5% bonus, which will be added to their final grade.
- Students who answer 0-59.9% of the questions will get the practice of answering the iClicker questions, but no bonus marks will be added onto the final grade.
- There are **NO** ways to make up iClicker questions. If you miss a class, or answer too slowly and miss the question, or are sick or away, there is no “make-up”. The iClicker bonus is for students attending class and participating on a daily basis.
- The iClicker questions are based on answering and participating. Students are not penalized for getting the questions incorrect or rewarded for correct answers.

iClicker Reef Access

- Regardless of which device you use in class, your computer, smartphone, or tablet, you must create an iClicker Reef account – or use your existing Reef account if you already have one. You can do this by downloading the mobile app via the App Store or Google Play, or by visiting <https://www.iclicker.com/students>
- It is your responsibility to properly register your iClicker Reef device and/or iClicker remote in a timely fashion. It is also your responsibility to regularly check your iClicker grades for any discrepancies and bring them to my attention quickly.
- You must connect your Reef account within our learning management system. To do this, you must navigate to the iClicker Reef registration link in UM Learn, click the link, then sign into your Reef account or create a Reef account from the window that opens. This will automatically add our class to your Reef account. Because University of Manitoba provides a subscription for all mobile Reef users, you do not need to purchase a Reef subscription, but it is your responsibility to make sure your account is in working order, and to regularly check your grades for any discrepancies and bring them to my attention immediately. If you already have a Reef account, simply sign into your account after clicking the link in UM Learn. Do not create a duplicate account.
- Student web: <https://app.reef-education.com/#/login>
- You can also access iClicker support documentation on UM Learn.
- If you have any technical issues using iClicker Reef, you can contact the IST Service Desk at servicedesk@umanitoba.ca or 204-474-8600.
