

Riddell Faculty of Earth, Environment, and Resources
Graduate Entrance Scholarships

The Clayton H. Riddell Faculty of Earth, Environment, and Resources offers ten annual entrance scholarships, valued at \$5,000 each. The purpose of the award is to attract outstanding students to graduate programs offered by Departments in the Faculty. The scholarships will be offered to graduate students who:

- (1) are enrolled full-time in the Faculty of Graduate Studies, in the first year of a Masters or Doctoral program delivered by a Department in the Clayton H. Riddell Faculty of Environment, Earth, and Resources;
- (2) have achieved a minimum degree grade point average of 3.5 (or equivalent) based on the last 60 credit hours of study.

Entering students will be assessed based on their transcript(s) and application materials. The selection committee will also consider how to effectively use the Scholarships to attract outstanding graduate students.

Entrance scholarships will be allocated to each of the units comprising the Clayton H. Riddell Faculty of Environment, Earth, and Resources in proportion to the current enrolment of graduate students in the unit.

The award is tenable, at the same value, in the recipient's second year of study provided that he/she:

- (1) continues to be enrolled full-time in the Faculty of Graduate Studies, in a Masters or Doctoral program delivered by a Department in the Clayton H. Riddell Faculty of Environment, Earth, and Resources;
- (2) has achieved a minimum degree grade point average of 3.5 (or equivalent) based on the last 60 credit hours of study;
- (3) has received a satisfactory annual report from his/her advisor.

Recipients may hold the Riddell Faculty of Earth, Environment, and Resources Graduate Entrance Scholarships concurrently with any other awards, consistent with policies in the Faculty of Graduate Studies.

The Dean of the Faculty of Graduate Studies (or designate) will ask the Dean of the Clayton H. Riddell Faculty of Environment, Earth, and Resources (or designate) to name the selection committee for this award.

I, Dr. Norman Halden, Dean, Clayton H. Riddell Faculty of Environment, Earth, and Resources, approve of the terms of reference as set out in the preceding paragraphs.
