PARTICIPANTS NEEDED FOR RESEARCH ABOUT PATIENTS WHO HAVE HAD A HEART ATTACK

We are looking for volunteers to take part in a study of *patients who have had a heart attack (ST-Elevation Myocardial Infarction)*.

As a participant in this study, you would be asked to: participate in a focus group.

Your participation would involve approximately two hours of your time to attend one focus group

An honorarium will be provided, in appreciation for your time.

For more information about this study,
please contact:

Lorraine Avery, RN, PhD
