

Because TIME IS MUSCLE

St-Boniface

for STEMI patients undergoing primary percutaneous intervention (PCI)

The **CODE STEMI TEAM:** Ensuring Safe Patient Care

WHY:	To assist EMS/Transport team with care of a STEMI patient until Cath Lab staff arrive
WHO:	Senior Nurse in CCU CRN/Charge Nurse ICCS Senior Cardiology Resident
WHEN:	On evenings, nights, weekends, and stat holidays
WHERE:	Y2083 Pre and Post

- The STEMI Team is a Cardiac Sciences based team. The STEMI cardiologist on call will activate Code STEMI.
- The STEMI Team will respond only when a patient has been accepted by the Code STEMI Cardiologist for a primary PCI outside of regular Cath Lab hours.
- Time STEMI Team away from clinical area will usually be less than 30 minutes.
