**Advisory Board**

Students pursuing the Graduate Focus on Aging Concentration **must have at least one current Centre on Aging Research Affiliate** as either their Advisor or Committee member to meet one of the eligibility criteria for the GFAC.

Research Affiliate	Name	Faculty/Department
Advisor/Co-Advisor	_____	_____
Centre on Aging Research Affiliate	_____	_____
Committee member(s)	_____	

**Aging related courses**

As required, two courses with a focus on aging must be successfully completed as part of the Graduate Focus on Aging Concentration. See this list for approved courses. In the boxes below, list the courses taken, or to be taken.

Course number	Course Name	Credit hours	Term taken

Complete the form in full and return it to the appropriate [Student Program Assistant](#) in the Faculty of Graduate and Postdoctoral Studies. If at any point you decide you no longer want to gain the extra credentials for the Graduate Focus on Aging Concentration, contact the Faculty of Graduate and Postdoctoral Studies immediately to update your status.

**Contacting the Faculty of Graduate and Postdoctoral Studies upon completion of requirements**

Reminder to all students, you are responsible to contact the Faculty of Graduate and Postdoctoral Studies upon completing the requirements for the Graduate Focus on Aging Concentration. Once your requirements have been verified, FGPS will make the necessary arrangements for you to receive the Graduate Focus on Aging Concentration.
