1. Due to the COVID-19 pandemic and resulting changes to program/course delivery, Winter Term 2021 may not be comparable to previous years.

2. Students are counted in one of three categories - Standard, Distance, or Combined. Standard delivery refers to traditional classroom instruction and includes Remote Learning course delivery, first introduced in Summer Term 2020. Distance delivery includes Independent Study, on-line courses, and group-based study. Remote Learning delivery differs from Distance delivery in that it is synchronous learning (i.e. real-time classes delivered online), and was in place primarily for courses that would have otherwise been taught on-campus. Students taking a combination of Standard and Distance delivery are included in the Combined category.

3. Excludes B.Sc. Medicine, B.Sc. Dentistry and pre-master's students.

4. Winter Term reports are based on data extracted as at March 1. Because Winter Term 2021 began two weeks later than usual, an adjusted date of March 15 was used for that term.

5. The Faculty of Engineering changed its name to the Price Faculty of Engineering in 2020.

6. Pharmacy is transitioning from a B.Sc. Pharmacy to a PharmD program, beginning in Fall Term 2019.

7. Due to rounding, individual percentage totals may not sum to 100.
