D. Required Admission Documentation

All successful applicants to the College of Dentistry are required to submit the following:

**Study Permit**

If you are accepted into the program and are not a Canadian Citizen or Permanent Resident of Canada you must produce a valid study permit for the full length of the program (2½ years), 2 months prior to commencement date of May for program, or the invitation for acceptance will be withdrawn (and may be offered to an alternate candidate).

**Intersession Program**

Students will join the College in early May of the year in which they are to begin the IDDP for an orientation program. The purpose of the orientation program is to acquaint students with the various policies, protocols, materials, and equipment used in the dental program at the University of Manitoba. Additionally, this intersession program will have a pre-clinical component intended to ensure that the IDDP students’ clinical treatment skills and knowledge are equivalent to the level of the students entering third year dentistry. Students will join the regular 3rd year class of Dentistry which begins in early August.

**Immunization Requirements**

All candidates who are offered a position in the incoming class must provide an up to date immunization record in order to register and attend classes.

Each applicant offered admission will receive an immunization document which must be completed and returned to the Dean’s Office prior to registration in the program.

Prospective students should refer to and be familiar with the College’s Infectious Diseases Policy Statement on the College’s website [http://umanitoba.ca/faculties/health_sciences/dentistry/prospective_students/dent_preReq.html](http://umanitoba.ca/faculties/health_sciences/dentistry/prospective_students/dent_preReq.html).

Any student applicant with an infectious disease should either delay their application to the program or disclose this information upon being accepted into the College of Dentistry. Should a student who has been accepted into the program but has been found to be unable to meet the College’s Infectious Disease policy requirements, every effort will be made to accommodate the student until the guidelines are met. In some cases, it may be necessary to suspend or terminate the student from the program if it is shown that the policy guidelines are unable to be met.

**Adult Criminal Record and Child and Adult Abuse Registry Checks**

Official adult criminal records and child and adult abuse registries checks are required by all admitted student prior to the time of registration, and annually thereafter in accordance with existing policies of other health, education and social service programs at the University of Manitoba. Applicants will need to comply with any University policy on criminal record and abuse checks that may be in effect as of the time of registration.

**Section 4: Selection Process**

**A. Track A**

The selection process for Track A consists of:

- Application Review, and

- an On-site Assessment at the College of Dentistry, University of Manitoba. Only fully completed applications together with all necessary documentation received by the Track A application deadline date in the year prior to admission to the program will be considered in the Selection Process.

1. **Application Review**

Applicants will be selected for the On-site Assessment based on his/her (a) academic credentials, (b) the results of their NDEB Assessment of Fundamentals Knowledge, (c) work experience, and (d) English language test results. Only the top ranked applicants will be invited for the On-site Assessment.
Applicants accepted for the On-site Assessment will be informed by late April – early May of the year preceding entry into the program. Applicants who accept the offer of an On-site Assessment visit must indicate their acceptance in writing and by submitting the non-refundable On-site Assessment fee of $1,300.00 CDN on or before the deadline given in the offer of the On-Site letter preceding entry into the program.

2. On-site Assessment

The On-site Assessment will be held in late June of the year preceding entry into the program. It consists of a personal interview, a psychomotor skills assessment on typodonts in dental mannequins, a written essay and an OSCE (Objective Structured Clinical Examination). Applicants will have the opportunity to meet some faculty members and students presently entered into the undergraduate program, and will be given a tour of the Faculty.

Components of the On-site Assessment:

a. Personal Interview

The personal interview will be conducted by a panel of two university members and will last a maximum of 30 minutes. Its purpose is to learn more about the educational and work experience of the candidate, as well as assess the candidate’s ability to communicate in English. The interview will assess aspects of the candidate’s life/practice experience relevant to their application to the University of Manitoba’s IDDP.

b. Psychomotor Skills Assessment

This will involve tooth preparations and/or placement of restorations in typodont teeth on mannequins. Opportunities for practice sessions will be provided prior to the testing days. Details of these exercises will be provided only to those selected for the On-site Assessment.

c. Essay

Candidates will be asked to write an impromptu, one page essay on a given topic to further assess the candidate’s ability to communicate in English.

d. OSCE (Objective Structured Clinical Exam)

An Objective Structured Clinical Examination will be part of the On-site Assessment.

B. Track B

The selection process for Track B consists of:

- Application Review: Applicants will be selected for an interview based on his/her (a) academic credentials, (b) the results of their NDEB Assessment of Fundamental Knowledge and Clinical Skills exams (AFK/ACS) (c) work experience, and (d) English language test results. Only the top ranked applicants will be invited for an interview to be held in-person at the College of Dentistry, University of Manitoba, on a date provided to successful candidates.

- Essay: Immediately following the personal interview, applicants will be asked to write an impromptu one page essay on a given topic to further assess the candidate’s ability to communicate in English.

Only fully completed applications together with all necessary documentation received by the Track B application deadline date in the year prior to admission to the program will be considered in the Selection Process.

C. Tie Breaking Procedure for Offers

In the event of a tie, the following procedure will be used:

1. Increase the number of significant figures used in the calculation.

2. Where a tie still exists, the application that was received first will be used to break the tie. All completed applications are time stamped upon submission; in the case of a paper application, these applications will be time stamped after they have been entered into the system by a University of Manitoba Admissions Office staff member.

D. Notification of Decision

Once a decision has been made, all applicants will receive an email notifying them of the admission decision. If an applicant is offered but does not accept the offer and pay the required deposit by the deadline
date indicated in the letter, the offer will lapse. Lapsed offers will be considered a declined response. It is imperative that your e-mail account remain current and that you check it regularly or arrange for someone to check it in your absence.

Applicants will be informed in writing of their selection status by mid to late September to mid-October in the year prior to commencement of the program. In order to accept an offer of admissions a **non-refundable deposit** of $12,500.00 CDN, will be required (this deposit is subject to change). The deposit will be applied to tuition fees at the time of registration.

The balance of fees will be due in the following months: Intersession fees and dental kit fees late April of the year of commencement of the program; 1st term fees early August; 2nd term fees early January Please see following link for dates

(\http://www.umanitoba.ca/admin/financial_services/revcap/fee_deadlines.htm\).

**Section 5: Reconsideration & Appeals**

Individuals who wish to have their applications reconsidered should submit their request in writing to the Chair of the Selection Committee. Past experience has shown that most inquiries can be satisfied at this level without further reference. Persons wishing reconsideration of the decision of the Selection Committee shall direct their request to the Chair within ten (10) days of the posted decision date (see Section 7: Contact Information).

Should the student wish to pursue the reconsideration decision of the Selection Committee further, such an appeal will be made in accordance with the Senate Committee on Admission Appeals Procedures.

http://umanitoba.ca/admin/governance/governing_documents/students/admission_appeals.html

Applicants are advised that appeals of reconsideration decisions by the Chair of the Selection Committee and the Senate Admissions Appeal Committee focus on questions of correct adherence to published policies and procedures outlined in this document, and NOT on subjective issues or the relative merits of the application.

**Section 6: Counselling of Applicants**

The College of Dentistry and Admissions Office are able to assist applicants who seek counselling regarding admission to the College of Dentistry. However, it is policy not to instruct applicants as to a specific course of action they should follow, but rather to provide the information needed for applicants to make their own choice with respect to the alternatives available. The following points require special attention:

1. Applicants are encouraged to discuss their plans with all who can usefully advise them, but they should be aware that second and third hand information about admission policies may not be accurate.

2. No official at the university can guarantee the admission of any applicant. Admission is determined by the Committee on the basis of an annual competition.

3. All applicants are advised to supplement any personal enquiries with a written request so that an official written response can be made. It is only these written responses which will be considered as evidence of any advice given. (see Section 7: Contact Information)
