Section 1: General Statement

The purpose of this bulletin is to provide information to prospective applicants to the Desautels Faculty of Music at the University of Manitoba. This document outlines categories of admission, requirements and deadlines.

This bulletin is available with, and constitutes part of, the application. It is assumed that all applicants have read and understood it prior to submitting the completed application.

Programs Offered: Post-Baccalaureate Diploma in Performance

Section 2: Eligibility Requirements

A. Academic Requirements

Applicants to the Post-Baccalaureate Diploma in Performance program must possess a Bachelor of Music degree or a Conservatory Diploma taken in residence to be considered eligible for admission into the program.

B. Non-Academic Requirements

Applicants must pass an entrance audition. This audition would normally be held in person, but high quality DVD or video-taped auditions may be accepted where distance is a prohibitive factor. Audio only submissions are not acceptable.

Audition requirements vary by area of application. Please refer to the following webpage for specific audition performance requirements by area: http://umanitoba.ca/faculties/music/prospective/PBD.html
Students auditioning in person in the classical area (voice or instrumental) are required to provide their own accompanist.

Students auditioning in person for collaborative piano pay a $25 fee. The $25 fee will partially offset the cost of the faculty providing supporting collaborative artists at the audition. The $25 fee is paid directly to the Faculty of Music General Office – Room T319, 136 Dafoe Road. Methods of payment are: cheque (payable to the University of Manitoba mailed or in person), cash, Visa or Mastercard (in person only). This fee must be paid before the audition.

Students auditioning in person in the jazz area (instrument or voice) pay a $25 accompanist fee. The $25 fee will partially offset the cost of a faculty provided rhythm section at the audition. The $25 fee is paid directly to the Faculty of Music General Office – Room T319, 136 Dafoe Road. Methods of payment are: cheque (payable to the University of Manitoba mailed or in person), cash, Visa or Mastercard (in person only). This fee must be paid before the audition.

C. Obtaining a Second PBPD

Applicants who hold the Post-Baccalaureate Diploma in Performance from the University of Manitoba (or equivalent Post-Baccalaureate one-year program from another institution) may apply for a second PBPD if studying a different applied instrument than that of their first PBPD in their Major Practical Study, Ensemble, and Recital courses, and if the remaining course credits taken do not duplicate those in the first PBPD.

D. English Language Proficiency Requirements

All applicants whose primary language is not English and do not qualify for a waiver under the University of Manitoba’s English language proficiency regulations will be required to demonstrate proficiency in English through one of the options listed at the University of Manitoba Admissions web site.

See below links to view specific English Proficiency Requirement information:
(http://umanitoba.ca/student/admissions/international/english/index.html).

Results for most language tests, including TOEFL, IELTS and CanTEST, expire two years from the test date. Test scores must be valid at the start of classes. Please confirm the validity of your test results.

Applicants must meet the minimum requirements for admission to the University of Manitoba, with one exception. International applicants with a TOEFL score of 500 (or its equivalent in other English proficiency tests) may be accepted under the following terms:

1. That they send a videotaped speech (in English) of 5-10 minutes explaining why they wish to attend the University of Manitoba Desautels Faculty of Music.

2. That they register for applied area courses only. When the TOEFL score of 550 has been obtained, they may register for writing based courses.

Section 3: Application Process & Deadlines

A. Application Fees

Canadian / Permanent Residents: $90.00
International applicants: $120.00

Applications are not considered received until the application is submitted and the application fee has been paid by the posted deadline.

D. Transfer Credit Information

At the University of Manitoba, all course work from a recognized prior post-secondary institution will be considered as part of the application for admission process for all undergraduate degree and diploma programs.

Courses are evaluated for advanced standing or transfer credit on a course-by-course basis and assigned a University of Manitoba equivalent, where applicable. Where a direct equivalent does not exist, students may receive general (unallocated) credit. The regulations regarding transfer credit are program specific and vary considerably depending on the faculty or school of application. Faculties and schools will only consider external courses completed within the last ten (or fewer) years.

Courses deemed acceptable for transfer credit will be awarded, subject to program approval, up to the maximum allowed under the program of admission, based on the Faculty or School’s transfer credit policy and residency requirements (consult the section of the University’s Academic Calendar at: www.umanitoba.ca/calendar for details).

Students may be asked to provide comprehensive and accurate course outlines or syllabi, as issued by their institution of study, for all courses lacking a current evaluation. Course outlines or syllabi should include information on: course objectives, outline of the units studied, textbook(s) used, assignments, and
accompanying laboratory information, if applicable, to assist in the transfer credit assessment process.

For information on current course evaluations receiving credit, please visit:  
www.umanitoba.ca/admissions/tc

While we appreciate that some institutions do not have course information readily available, many students have been able to provide the information requested by contacting the individual departments or instructors at their prior institutions. Students who are unable to provide the requested course information may render themselves ineligible for programs with specific course requirements. In cases where outlines have not been provided, unsuccessful course attempts, including F grades, may be assessed as part of the academic assessment regulations of a student’s program of study. Only successful applicants will be notified of transfer credit results.

Additional information related to transfer credit may be found at:  
http://umanitoba.ca/student/admissions/application/deadlines/transfer-credit.html

Transfer of credits into the PBDP program will be processed by the Faculty of Music Student Advisor. A maximum of 12 credit hours of courses may be transferred into the PBDP program, provided that they have not counted toward any previous degree. Students will not be permitted to transfer for credit any course completed more than five years prior to the start date of the diploma.

Transfer of credits from the PBDP program will be processed through the Faculty of Graduate Studies. Courses may not be counted for more than one degree, and may be transferred from the PBDP to the M.Mus. only if they have not been counted toward the PBDP or more than the minimum credit hours have been taken.

Section 4: Selection Process

Admission may not be possible for all qualified applicants, as it is dependent on the number of spaces available, the major practical study area, and instructor availability.

A. Selection Criteria

1. Performing ability as demonstrated in the audition
2. Sight-reading ability as demonstrated in the audition
3. Grades
4. Letters of Recommendation
5. Interview
6. Information supplied with application: e.g. personal essay, curriculum vitae.

The criteria above are considered by the jury panel auditioning the applicant. Normally this panel consists of three faculty members, including the major practical study area teacher. In rare cases, and where distance or availability is an issue, the major practical study teacher may recommend the student for acceptance to the Dean or his/her designate(s) who will review the application.

B. Special Consideration of Applicants

Special consideration may be given to students according to:

1. the specific major practical study area represented
2. the needs of the Faculty in particular instrument areas
3. the availability of instructors in specific areas

C. Notification of Decision

Once a decision has been made, all applicants will receive an email notifying them to log into their application portal to view the decision. Students who are offered admission will be required to confirm their acceptance. If you do not accept the offer by the deadline date indicated in the letter, your offer will lapse and you will need to contact our office to discuss the possibility of an extension. It is imperative that your email account remains current and that you check it regularly or arrange for someone to check it in your absence.
Section 5: Reconsideration and Appeals

Individuals who wish to have their applications reconsidered should submit their request to the Admissions Office. Past experience has shown that most inquiries can be satisfied at this level without further reference. Persons wishing reconsideration of the decision shall direct their request to the Admissions Office within ten (10) days of the posted decision date.

Should the student wish to pursue the reconsideration decision of the Selection Committee further, such an appeal will be made in accordance with the Senate Committee on Admission Appeals Procedures.

http://umanitoba.ca/admin/governance/governing_documents/students/admission_appeals.html

Applicants are advised that appeals of reconsideration decisions by the Senate Admissions Appeal Committee focus on questions of correct adherence to published policies and procedures, and NOT on subjective issues or the relative merits of the application.

Section 6: Counselling of Applicants

The Desautels Faculty of Music and Admissions Office are able to assist applicants who seek counselling regarding admission to the Desautels Faculty of Music. However, it is policy not to instruct applicants as to a specific course of action they should follow, but rather to provide the information needed for applicants to make their own choice with respect to the alternatives available. The following points require special attention:

1. Applicants are encouraged to discuss their plans with all who can usefully advise them, but they should be aware that second and third hand information about admission policies may not be accurate.

2. No official at the university can guarantee the admission of any applicant. Admission is determined by the Committee on the basis of an annual competition.

3. All applicants are advised to supplement any personal enquiries with a written request so that an official written response can be made. It is only these written responses which will be considered as evidence of any advice given (see Section 7: Contact Information).

Section 8: Other

The Desautels Faculty of Music offers a one-year Post-Baccalaureate Diploma in Performance for advanced students preparing for further study or professional activity. Students can design their own program of study and tailor it to their own areas of interest. They may take courses at the Faculty of Music as well as in other faculties and schools at the University of Manitoba. In addition, courses taken while a student in the PBDP program may be transferred in to the Master’s program where the appropriate standards have been met and requirements satisfied. This
program consists of 30 credit hours distributed as follows:

Three required courses (total 15 hours) in the diploma program, all in the major performance area:

- MUSC 5400: Major Practical Study - individual lessons with the principal teacher (6 hours)
- MUSC 5180: Ensemble - voice or instrument-appropriate musical ensemble activity (3 hours)
- MUSC 5560: Recital - solo performance (6 hours)

The remaining 15 credit hours consist of electives selected from existing 3000 and 4000 level courses. A minimum of 18 credit hours must be taken in the Faculty of Music. Up to (3) credit hours may be earned through the cooperative arrangement with the Winnipeg Symphony Orchestra, Manitoba Opera, Royal Winnipeg Ballet, and other musical organizations in the city. Students may receive credit for time served in these organizations on the basis of a live audition and an agreed number of services.

Expected time to complete the program is one year; the maximum time allowed is three years. Extensions may be granted by the Dean for medical or compassionate reasons.

Regulations for the Post-Baccalaureate Diploma regarding academic standing, scholastic progress, attendance, required GPA, probation and suspension will follow those governing the Bachelor of Music program as outlined in the Desautels Faculty of Music Undergraduate Handbook.
