Section 2: Eligibility Requirements

A. Academic Requirements

To be eligible for consideration, applicants must meet the following eligibility requirements:

1. For Certified Teachers

Successful completion of a Bachelor’s degree and one of the following types of certificates granted by Manitoba Education and Advanced Learning or equivalent from other provinces (including any after degree teacher certification program): Permanent Professional Certificate, Provisional Professional Certificate, or Clinicians’ Certificate, with a grade point average of 2.0 (C).
2. For Non-Certified Teacher Applicants

Successful completion of Bachelor’s degree from a recognized institution, with a minimum grade point average of 2.0 (C) in the degree and two years of full-time or accumulated appropriate teaching/work experience.

**NOTE:** The PBDE is a flexible thirty credit hour program designed for teachers and other professionals following the completion of an undergraduate degree. In addition to those on campus, a few courses are offered through Distance Education.

The PBDE is not a teacher training program. Manitoba Education and Advanced Learning grants the Manitoba teaching certificates based on a recognized teacher education program. Individuals wishing to apply for certification should contact the Professional Certification Unit, Manitoba Education and Advanced Learning ([http://www.edu.gov.mb.ca/k12/profcert](http://www.edu.gov.mb.ca/k12/profcert)).

B. English Language Proficiency Requirements

All applicants whose primary language is not English and do not qualify for a waiver under the University of Manitoba’s English language proficiency regulations will be required to demonstrate proficiency in English through one of the options listed at the University of Manitoba Admissions web site.

See below links to view English Proficiency Wavier information:

([http://umanitoba.ca/student/admissions/international/english/waiver-criteria.html](http://umanitoba.ca/student/admissions/international/english/waiver-criteria.html))

See below links to view specific English Proficiency Requirement information:

([http://umanitoba.ca/student/admissions/international/english/index.html](http://umanitoba.ca/student/admissions/international/english/index.html)).

Results for most language tests, including TOEFL, IELTS and CanTEST, expire two years from the test date. Test scores must be valid at the start of classes. Please confirm the validity of your test results.

B. Required Application Documents

The following documents will be required to complete your application.

C. Transfer Credit Information

At the University of Manitoba, all course work from a recognized prior post-secondary institution will be considered as part of the application for admission process for all undergraduate degree and diploma programs.

Courses are evaluated for advanced standing or transfer credit on a course-by-course basis and assigned a University of Manitoba equivalent, where applicable. Where a direct equivalent does not exist, students may receive general (unallocated) credit. The regulations regarding transfer credit are program specific and vary considerably depending on the faculty or school of application. Faculties and schools will only consider external courses completed within the last ten (or fewer) years.

Courses deemed acceptable for transfer credit will be awarded, subject to program approval, up to the maximum allowed under the program of admission, based on the Faculty or School’s transfer credit policy and residency requirements (consult the section of the University’s Academic Calendar at: [www.umanitoba.ca/calendar](http://www.umanitoba.ca/calendar) for details).

Students may be asked to provide comprehensive and accurate course outlines or syllabi, as issued by their institution of study, for all courses lacking a current evaluation. Course outlines or syllabi should include information on: course objectives, outline of the units studied, textbook(s) used, assignments, and accompanying laboratory information, if applicable, to assist in the transfer credit assessment process.
For information on current course evaluations receiving credit, please visit:

www.umanitoba.ca/admissions/tc

While we appreciate that some institutions do not have course information readily available, many students have been able to provide the information requested by contacting the individual departments or instructors at their prior institutions. Students that are unable to provide the requested course information may render themselves ineligible for programs with specific course requirements. In cases where outlines have not been provided, unsuccessful course attempts, including F grades, may be assessed as part of the academic assessment regulations of a student’s program of study. Only successful applicants will be notified of transfer credit results.

Additional information related to transfer credit may be found at:

http://umanitoba.ca/student/admissions/application/deadlines/transfer-credit.html

Courses transferred to the PBDE must be applicable to the program. In addition, courses completed more than six years prior to the time of admission will not be permitted. Only courses with a minimum grade of ‘C’ or better will be considered for transfer.

A maximum of 12 credit hours may be transferred from an institution other than the University of Manitoba. There is no maximum limit for courses completed at the University of Manitoba.

If the course(s) is not identified on the transcript as being in excess of the degree requirements, the applicant must include a letter from the institution verifying and identifying excess courses.

Applicants who are eligible to receive transfer of credit should make their request in writing by completing the Faculty of Education Request for Transfer of Credit Form for Post Baccalaureate Diploma in Education, within ten working days of receipt of the Certificate of Acceptance. The request should include course number and title, as well as a course outline for courses completed at institutions other than the University of Manitoba.

Section 4: Selection Process

A. Notification of Decision

Once a decision has been made, all applicants will receive an email notifying them to log into their application portal to view the decision. Students that are offered admission will be required to confirm their acceptance. If you do not accept the offer by the deadline date indicated in the letter, your offer will lapse and you will need to contact the Admissions Office to discuss the possibility of an extension. It is imperative that your email account remains current and that you check it regularly or arrange for someone to check it in your absence.

Acceptance to the PBDE is valid only for the term for which it is issued. If you do not register for courses in this term and subsequently wish to register for courses in a later term, you must reapply and be readmitted.

Section 5: Reconsideration & Appeals

Individuals who wish to have their applications reconsidered should submit their request in writing to the Chair of the Selection Committee. Past experience has shown that most inquiries can be satisfied at this level without further reference. Persons wishing reconsideration of the decision of the Selection Committee shall direct their request to the Chair within ten (10) days of the posted decision date decision (see Section 7: Contact Information).

Should the student wish to pursue the reconsideration decision of the Selection Committee further, such an appeal will be made in accordance with the Senate Committee on Admission Appeals Procedures.

http://umanitoba.ca/admin/governance/governing_documents/students/admission_appeals.html

Applicants are advised that appeals of reconsideration decisions by the Senate Admissions Appeal Committee focus on questions of correct adherence to published policies and procedures by the Committee of Selection, and NOT on subjective issues or the relative merits of the application.
Section 6: Counselling of Applicants

The Faculty of Education and Admissions Office are able to assist applicants who seek counselling regarding admission to the Faculty of Education. However, it is policy not to instruct applicants as to a specific course of action they should follow, but rather to provide the information needed for applicants to make their own choice with respect to the alternatives available. The following points require special attention:

1. Applicants are encouraged to discuss their plans with all who can usefully advise them, but they should be aware that second and third hand information about admission policies may not be accurate.

2. No official at the university can guarantee the admission of any applicant.

3. All applicants are advised to supplement any personal enquiries with a written request so that an official written response can be made. It is only these written responses which will be considered as evidence of any advice given. (see Section 7: Contact Information)
