The purpose of this bulletin is to provide information to prospective applicants to the Faculty of Social Work at the University of Manitoba. This document outlines categories of admission, requirements and deadlines.

This bulletin is available with, and constitutes part of, the application. It is assumed that all applicants have read and understood it prior to submitting the completed application.

Programs Offered: Bachelor of Social Work (B.S.W)

Section 2: Eligibility Requirements

A. Academic Requirements

Applicants to the Distance Delivery Bachelor of Social Work Degree program must meet all three of the following requirements to be considered eligible for admission into the program:

1. Successful completion of a minimum of 30 credit hours by May 1 in academic courses* taken in any faculty and which are acceptable to the University of Manitoba with a minimum of 2.5 (C+) AGPA (see Section 4: Selection Process, A. Calculation of the Adjusted Grade Point Average (AGPA)); and

2. A minimum of one year of work experience, equivalent to 1750 hours, within the last five years, as of the application deadline in the social services field**; and
3. Residency outside of the city of Winnipeg.

*Courses completed at a community/technical college which are deemed as “university level” by the University of Manitoba Admissions (Evaluations) Office, will be accepted and used for the admissions calculations and transfer credit thereafter. Any applicant without the 30 credit hours of acceptable university level courses will be ineligible for admission.

**Students will be asked to outline, in detail, all relevant social services work/volunteer experience. The online application will have a section where students will be prompted to indicate the total number of hours and described duties worked/volunteered in each relevant job, as well as employer contact information. Uploaded resumes are not reviewed by the selection committee. Work/volunteer experience may or may not be verified.

NOTE: Only total hours indicated by the applicant will be considered; hours will not be calculated on the applicant’s behalf.

All applicants are advised that spaces are limited and that applicants meeting minimum eligibility requirements cannot be assured admission.

B. English Language Proficiency Requirements

All applicants whose primary language is not English and do not qualify for a waiver under the University of Manitoba’s English language proficiency regulations will be required to demonstrate proficiency in English through one of the options listed at the University of Manitoba Admissions web site.

See below links to view English Proficiency Waiver information:

(http://umanitoba.ca/student/admissions/international/english/waiver-criteria.html)

See below links to view specific English Proficiency Requirement information:

(http://umanitoba.ca/student/admissions/international/english/index.html).

Results for most language tests, including TOEFL, IELTS and CanTEST, expire two years from the test date. Test scores must be valid at the start of classes. Please confirm the validity of your test results.

C. Categories

1. Academic Achievement Category

Applicants to this category must meet all eligibility requirements and will be selected based on their AGPA (see Section 4: Selection Process, A. Calculation of the Adjusted Grade Point Average (AGPA)).

2. Educational Equity Initiative Category

Applicants to this category must meet all eligibility requirements with a minimum AGPA of 2.5 (C+).

This category is for applicants who are Canadian Citizens or Permanent Residents of Canada who are members of one or more of the following educational equity priority groups listed below.

The purpose of this Educational Equity Initiative Category is to achieve equality in professional education so that no person shall be denied educational opportunities or benefits for reasons unrelated to ability. In the fulfillment of this goal, the aim is to correct the conditions of disadvantage in professional education experienced by Canadian Indigenous Peoples, Persons with Disabilities, Immigrants and Refugees to Canada, LGBTTQ and persons who are a Visible Minority in Canada. Giving effect to the principle of educational equity means more than treating persons in the same way; it also requires special measures and the accommodation of difference.

For the purpose of identification, the definitions for the Educational Equity priority groups are:

- Canadian Indigenous Peoples
  All Indigenous peoples of Canada; including, First Nations, Métis, and Inuit.

- Visible Minorities
  Persons other than Indigenous Peoples who, because of their colour, are a visible minority in Canada.
• Immigrants (Permanent Residents)
Immigrants are those who do not record Canadian Citizenship by birth, and whose native tongue is NOT English.

• Refugees
A refugee is an individual who has left his/her country of residence because of persecution for belonging to a particular social, cultural, religious and/or national group, and/or for holding particular political beliefs, and has been accepted for residence in Canada.

• Persons with Disabilities
Persons who would consider themselves disadvantaged by reason of any physical, intellectual, mental, sensory or learning impairment.

• LGBTTQ
LGBTTQ are persons who self-identify as lesbian, gay, bisexual, transgender/transsexual, two-spirited, queer or questioning. While this definition is intended to be inclusive of sexual and gender variations, we recognize it is not meant to be exhaustive or excluding.

• Non-Canadian Indigenous ACCESS Students
Persons who traditionally have not had the opportunity for university studies because of social, economic and cultural reasons, lack of formal education or residence in remote areas, and who are enrolled in the University of Manitoba ACCESS program.

Unofficial transcripts uploaded to the application are acceptable (scanned copies of official transcripts only; web-based transcripts are discouraged). Mailed transcripts should arrive before the deadline date.

NOTE: It is the applicant’s responsibility to inform the Admissions Office in writing of any deferred exams or grade changes. All final grades, including grade changes must be submitted to the Admissions Office by the document deadline in order for them to be included in the final selection process.

- Immigration documents are required if born outside of Canada.

- Name change documentation is required if name change has occurred as a result of marriage, divorce or other reason.

- Proof of proficiency in the use of the English language (see Section 2: Eligibility Requirements, B. English Language Proficiency Requirements).

Please send all application documentation to the following address:

**Admission for Social Work**
Enrolment Services, 424 University Centre
University of Manitoba, Winnipeg, MB R3T 2N2

It is the applicant’s responsibility to ensure that the Enrolment Services/Admissions Office receive all required information and documents by the appropriate deadlines.

**D. Required Admission Documentation**

All BSW applicants offered admission are required to:

- Sign a declaration regarding criminal convictions and whether they have ever been placed upon a child abuse registry as a perpetrator.

- Provide a completed Criminal Record (CR) check obtained through the local police service.

- Provide a completed Child Abuse Registry (CAR) or a Vulnerable Sector check.

A positive response on the CR check, the CAR or Vulnerable Sector check or the declaration regarding previous criminal convictions does not necessarily eliminate applicants; however it shall require that the applicant participate in a personal interview. The Faculty reserves the right, based on its findings, to declare an applicant ineligible for admission.

**E. Transfer Credit Information**

At the University of Manitoba, all course work from a recognized prior post-secondary institution will be considered as part of the application for admission process for all undergraduate degree and diploma programs.

Admitted students may be eligible to receive block credit of up to 51 credit hours towards their degree in Social Work, as determined based on their previous university-level studies.

NOTE: Those presenting college/diploma credentials may be eligible for block credit if courses are deemed university-level and are a minimum grade of a 3.00 (B).

Those presenting a recognized Bachelor’s Degree will receive the full block transfer with the Mathematics and Written English Requirements met. Proof of graduation is required.

Those who have not completed a recognized Bachelor’s Degree will have their Written English and Mathematics course requirements assessed separately.

Students may be asked to provide comprehensive and accurate course outlines or syllabi, as issued by their institution of study, for all courses lacking a current evaluation for the Mathematics and Written English Requirement. Course outlines or syllabi should include information on: course objectives, outline of the units studied, textbook(s) used, assignments, and accompanying laboratory information, if applicable, to assist in the transfer credit assessment process.

For information on current course evaluations receiving credit, please visit: [www.umanitoba.ca/admissions/tc](http://www.umanitoba.ca/admissions/tc)

The Faculty of Social Work supports the principle of granting equivalency credit for social work courses taken in programs leading to a professional social work qualification at other educational institutions recognized by the Canadian Association for Social Work Education (CASWE). Currently, the Faculty of Social Work has articulation agreements with the following Community Colleges: Seneca College (Social Service Worker Gerontology Diploma Program); Red River College (Child and Youth Care Program, Metis
Child, Family and Community Services Program); Fleming College (formerly Sir Sandford Fleming) (Drug and Alcohol Counselor Diploma Program, Social Service Worker Diploma Program); Portage College (Community Social Work Diploma Program); and Grant MacEwan University (Social Work Diploma Program).

Students who have completed any of these programs may be eligible for transfer credit of selected social work courses if admitted to the Faculty of Social Work. However, these courses cannot be used as part of the minimum 30 credit hour eligibility requirements.

Students who have studied in diploma programs without an articulation agreement, or who have not completed the above programs may be eligible for elective credit only, subject to course by course review.

The responsibility for assessing BSW equivalency is assumed by the BSW Curriculum Committee. Students will be advised at the time of their acceptance into the BSW program of the procedures to follow if they intend to request BSW equivalency for courses taken previously. The request for consideration of equivalency must originate with the student.

While we appreciate that some institutions do not have course information readily available, many students have been able to provide the information requested by contacting the individual departments or instructors at their prior institutions. Students that are unable to provide the requested course information may render themselves ineligible for programs with specific course requirements. Only successful applicants will be notified of transfer credit results.

Additional information related to transfer credit may be found at:

http://umanitoba.ca/student/admissions/application/deadlines/transfer-credit.html

Section 4: Selection Process

A. Calculation of the Adjusted Grade Point Average (AGPA)

The AGPA is calculated to take into account the student’s most recent academic work and to allow for some elimination of the lowest grades within this work.

Only the student’s most recent 60 credit hours of university work, which are acceptable to the University of Manitoba, will be used in calculation of the AGPA.

<table>
<thead>
<tr>
<th>Number of Credit Hours Completed</th>
<th>Number of Credit Hours Dropped</th>
</tr>
</thead>
<tbody>
<tr>
<td>30 – 35</td>
<td>0</td>
</tr>
<tr>
<td>36 – 59</td>
<td>6</td>
</tr>
<tr>
<td>60</td>
<td>12</td>
</tr>
</tbody>
</table>
If an applicant has completed a total of 36—60 credit hours of university work, the lowest marks will be dropped from the calculation of the AGPA in accordance with the above table. For instance, if an applicant has completed 36 to 59 credit hours, six (6) credit hours of the lowest grades will be dropped in calculation of the AGPA. If an applicant has completed more than 60 credit hours of university work, the AGPA will be calculated over the most recently completed 60 credit hours of university work, minus twelve (12) hours of the lowest grades. If it is not possible to clearly identify the most recently completed 60 credit hours of work, the term grade point average containing the most recent of the 60 credit hours will be used as a representative grade for the remaining hours.

In the calculation of the AGPA, all courses which have been assigned a final grade are considered “completed” university work, including failed courses and repeated courses. The exceptions to this are courses graded “Pass/Fail” or “Satisfactory”, and courses that have been assessed and awarded as university credit from either the Advanced Placement (AP) program, or the International Baccalaureate (IB) program; these are excluded from both the AGPA and from the most recent 60 credit hours of work. Courses completed on a full or part time basis, in all undergraduate and graduate programs, and in Regular and Summer session (except the work taken after April 1 in the year of application) will be included in the AGPA calculation.

NOTE: AP or IB courses that have been awarded as university credit will be considered for transfer of credit if admitted to the Faculty. However, AP and IB courses cannot be used as part of the minimum 30 credit hour eligibility requirement.

- It is the applicant’s responsibility to inform the Admission Office in writing of any deferred exams or grade changes. All final grades, including grade changes must be submitted to the Admissions Office by the document deadline in order for them to be included in the final selection process. Grade changes will not be accepted after the documentation deadline date. If a grade is not available by the documentation deadline date, an ‘F’ grade will be used in the final admission determination and calculation.

Courses completed at a community/technical college and deemed as transferable university level by the University of Manitoba Admissions (Evaluations) Office, will be counted in the AGPA (see Section 2: Eligibility Requirements).

The Distance Delivery BSW Degree program receives approximately 300 applications for the 100 available spaces. The Distance Delivery BSW Admissions Committee of the Faculty begins the selection process by assessing all applications to determine eligibility (see Section 2: Eligibility Requirements).

B. Selection

Applicants who are determined as meeting the eligibility criteria (see Section 2: Eligibility Requirements) are compiled and applicants are selected through two categories*.

1. Academic Achievement Category

60% (approximately 60) of all available positions will be awarded on the basis of highest AGPA.

2. Educational Equity Category

40% (approximately 40) of all available positions will be awarded on the basis of identification with an Educational Equity (EE) category or categories. Applicants may identify themselves with as many categories as are applicable to them: Canadian Indigenous peoples, non-Indigenous applicants enrolled in the U of M ACCESS program, Visible Minorities, Immigrants and Refugees, LGBTTQ, and Persons with Disabilities.

Spaces in the EE priority group will be proportionately allocated based on the number of eligible applicants in each EE priority group as long as there is at least one eligible applicant. For example, if there are ten eligible applicants identified as Canadian Indigenous out of a total of 50 eligible EE applicants, 1/5 of EE spaces (8) will be allocated to the Canadian Indigenous equity group.

Spaces for applicants in each EE priority group will be awarded based on the highest AGPA. If there are unfilled EE spaces, these will be filled based on the
highest AGPA from the remaining applicants in the Academic Achievement category.

* Within the above categories, 20% of all available positions will be awarded based on residence within Manitoba.

All applicants applying under the Educational Equity category must identify themselves by completing the appropriate section on the Distance Delivery Faculty of Social Work application. The Faculty of Social Work reserves the right to request verification from applicants indicating membership in any of the EE priority groups.

Please note that the total number of spaces for admission may vary depending on the Faculty’s decision.

C. Tie Breaking Procedure for Offers

In the event of a tie, the following procedure will be used:

1. Increase the number of significant figures used in the calculation.

2. Where a tie still exists, the application that was received first will be used to break the tie. All completed applications are time stamped upon submission; in the case of a paper application, these applications will be time stamped after they have been entered into the system by a University of Manitoba Admissions Office staff member.

D. Notification of Decision

Once a decision has been made, all applicants will receive an email notifying them to log into their application portal to view the decision. Students that are offered admission will be required to confirm their acceptance and pay a deposit online. If you do not accept the offer and pay the required deposit by the deadline date indicated in the letter, the offer will lapse. Lapsed offers will be considered a declined response. It is imperative that applicants check their email accounts or arrange for someone to have access to their application login information.

Applicants will be informed in writing of their selection status by late June 2017. In order to accept an offer of admission a non-refundable deposit of $100.00 will be required. The deposit will be applied to tuition fees at the time of registration.

Section 5: Reconsideration and Appeals

Individuals who wish to have their applications reconsidered should submit their request to the Chair of the Selection Committee. Past experience has shown that most inquiries can be satisfied at this level without further reference. Persons wishing reconsideration of the decision of the Selection Committee shall direct their request to the Chair within ten (10) days of the posted decision date (see Section 7: Contact Information).

Should the student wish to pursue the reconsideration decision of the Selection Committee further, such an appeal will be made in accordance with the procedures outlined by the Senate Committee on Admission Appeals.

http://umanitoba.ca/admin/governance/governing_documents/students/admission_appeals.html

Applicants are advised that appeals of reconsideration decisions by the Senate Admissions Appeal Committee focus on questions of correct adherence to published policies and procedures by the Committee of Selection, and NOT on subjective issues or the relative merits of the application.

Section 6: Counselling of Applicants

The Faculty of Social Work and Admissions Office are able to assist applicants who seek counselling regarding admission to the Faculty of Social Work. However, it is policy not to instruct applicants as to a specific course of action they should follow, but rather to provide the information needed for applicants to make their own choice with respect to the alternatives available. The following points require special attention:

1. Applicants are encouraged to discuss their plans with all who can usefully advise them, but they should be aware that second and third hand information about admission policies may not be accurate.

2. No official at the university can guarantee the admission of any applicant. Admission is
determined by the Committee on the basis of an annual competition.

3. All applicants are advised to supplement any personal enquiries with a written request so that an official written response can be made. It is only these written responses which will be considered as evidence of any advice given (see Section 7: Contact Information).

Section 8: Other

The Distance Delivery Bachelor of Social Work Degree program is intended to target individuals who are employed in the social services and living outside of the City of Winnipeg, but who may not have had the opportunity to pursue professional social work education. The BSW degree intends to provide both a liberal arts and professional social work education. It provides students with knowledge and skills necessary for professional preparation for generalist practice in a variety of social work fields. The program is accredited by the Canadian Association for Social Work Education (CASWE), and graduates are eligible for acceptance into schools of graduate studies.

The BSW degree is accepted as a professional degree by the Manitoba College of Social Workers and by the Canadian Association for Social Work Education (CASWE), and holders of the degree are eligible for membership to the provincial organizations. The Faculty of Social Work is a charter member of the CASWE, which is also recognized by the Council on Social Work Education, in the U.S.A.

The program consists of a total of 123 credit hours; 72 of required social work credits and 51 academic electives. The Faculty of Social Work offers a BSW program at three locations and through Distance Delivery. The three locations are: the Fort Garry campus, the Inner City campus, the Northern campus, located in Thompson, Manitoba, and through Distance Delivery.

The Distance Delivery Bachelor of Social Work Degree program is available for people living outside of the city of Winnipeg. Access to high speed internet is required. Delivery methods for the online component of the Distance Delivery Social Work Program include online study and web conferenced group based study. Course exams are scheduled and arranged for in or near the student’s community.

NOTE:

Under The Workers Compensation Act (Manitoba), students of the University of Manitoba who are engaged in a field practicum as a required part of their program are generally covered for injuries sustained in the course of and arising out of the practicum in

accordance with and subject to the provisions of The Workers Compensation Act. The Workers Compensation Board will not make advance rulings in these types of cases.

Therefore, students who are not Manitoba residents and are trying to arrange a practicum outside Manitoba may experience difficulties or be denied a placement because the University may not be able to provide satisfactory workers compensation coverage in their province. Alternative arrangements can sometimes be made to accommodate such practicums, but will have to be done on a case by case basis. Students are encouraged to contact the Field Education Coordinator at the earliest opportunity to determine if any such alternative arrangements are possible.
