

# 10 things about UM libraries

Start here: [umanitoba.ca/libraries](http://umanitoba.ca/libraries)

## Our locations

Architecture/Fine Arts Library  
Archives & Special Collections (Elizabeth Dafoe Library)  
E.K. Williams Law Library  
Eckhardt Gramatté Music Library  
Elizabeth Dafoe Library  
Father Harold Drake Library (St. Paul's College)  
Jim Peebles Science & Technology Library  
Neil John Maclean Health Sciences Library (Bannatyne Campus)

Find library locations and hours by selecting **Locations and facilities** on the Libraries' home page.

## Spaces & technology

Libraries have individual and group study spaces, public computers, printers, scanners and laptop lending. To use library printers, add money to your Library Print account online. Select **Using the libraries** on the Libraries' home page.

## UMNetID & library cards

Your **UMNetID** gives you access to online library resources, technologies and your UM email account. Contact **IST** at (204) 474-8600. Your UM student card is also your library card. Use it to borrow materials at any UM library.

## Access

With your **UMNetID**, the Libraries gives you online access to materials for completing your assignments and doing research. You also have access to computer labs, citation tools, and research workshops. Install the Lean Library browser extension for quick and simple one-click access to full-text journal articles, newspaper articles, online books.

## Find materials

Find books and articles using the search box on the Libraries' home page. Many items are available online. Sign in and scroll down to **Get it** or **View it** to see your options for access.

## Borrow

Find information on the Libraries' website about borrowing books from our many locations. Place a request to retrieve physical items from a Library Pickup locker. Download our app for quick and easy self-checkout of library items. Select **Using the libraries** on the Libraries' home page.

## Subject librarians

Every department has a librarian who works closely with students and instructors to provide subject-specific help with research and library materials. Select **Help and subject guides** from the Libraries' home page to make an appointment.

## Subject guides

Select **Help and subject guides** on the Libraries' home page to find a guide that contains specialized information for doing research in your subject area. You'll also find contact information for the subject librarian who can give you help doing research in that field.

## ORCID

ORCID is a digital identifier that allows students and researchers to have a unique identifier that ties your scholarly work (publications, grants, awards, and more) to YOU – even if you change names, institutions, or areas of study.

## Help

Use the **Ask Us** chat icon on the Libraries' home page to get help online or make an appointment with a librarian. View help videos on our YouTube channel.
