I hereby apply for financial assistance from funds administered by the Financial Aid & Awards Office. I declare that all information given on this application is complete and true in every respect; that I shall be a full-time student for the academic period and course load stated, and; the financial assistance is essential to enable me to continue my education. Furthermore, I am aware that the use of this loan for any purpose other than those specified in this application without the written permission of the Director of Financial Aid and Awards will constitute a violation of this agreement, making the loan immediately due in full and making me ineligible for other support or assistance from the University of Manitoba until the loan is repaid. I am aware that this interest-free loan is not to be used to pay for tuition costs. I understand that if payment is not made in full by the promised date, or if further arrangements are not made with the Awards Office, a Hold will be placed on my file and my outstanding loan will be turned over to a collection agency for recovery (a Hold placed on a student's file has the effect of cutting off all services from the university; no mark statements, transcripts or letters of permissions are issued, no further registrations are accepted, no library services are approved). I hereby consent to full access to my student records. I will notify the Financial Aid & Awards Office of any change in academic status or in my financial status (or that of my spouse or dependents) during the academic period covered by this application.
