

**FACULTY OF ARCHITECTURE  
UNIVERSITY OF MANITOBA**

**MISSION**

We advance environmental stewardship, community engagement, and innovative research.  
We inspire students to become leaders who embrace emerging design and planning challenges.  
We champion responsible practices, creative strategies, and collaboration to shape diverse, resilient,  
and equitable communities for generations to come.

**VISION**

**COMMITMENTS**

Weave Indigenous knowledge into curriculum and faculty life  
Engage communities  
Effect change through our research and actions  
Value the professions  
Inform public discourse  
Encourage students to be engaged citizens  
Promote climate action  
Honour diverse perspectives

ACT | CREATE | EMPOWER | REIMAGINE  
TRANSFORMATIVE CHANGE | VIBRANT COMMUNITY | SUSTAINABLE FUTURE
