

Hickson Research Day 2016

Friday, April 1st
10:30am – 3:30pm

Poster Session & Lunch
held in 517 Drake, Talks
will be in 539 Drake

Celebrating Research. The Hickson Research Day is held in honour of Dr. Allister Hickson, who was a member of the Department of Supply Chain Management until his passing in 2008. This Research Day honours collegiality and interest in the research of others – characteristics that Allister fully embodied.

10:30am-12:00pm Poster Presentations

Join us to celebrate the fruits of our faculty and students' research!

12:00pm Buffet Lunch

1:15pm Managing Rejections and Difficult R&Rs

Drawing on research about academics and resilience, this informal talk will discuss strategies that help researchers at all levels stay positive and productive in the face of the rejection and R&Rs that are an unavoidable part of academic life.

Brianna Caza (Business Administration)

2:00pm Tools for Managing Academic Integrity

Academic integrity matters to graduate students and to faculty. This presentation will introduce both audiences to IThenticate, a tool for checking your own original research for inadvertent plagiarism, including the common challenge of "self-plagiarism." A brief demonstration will be followed with instructions on how to register and find support

Nancy Scheider (Direction, Office of Vice-President,
Research and International)

2:15pm Data Resources and Tools for Research

A brief presentation of tools and resources available through the university libraries and through Asper's own subscriptions. Includes CHASS and Odesi for survey data and other social-science datasets, and some insights about novel uses for Bloomberg in areas like corporate social responsibility

Afra Bolefski (Albert D. Cohen Library)

2:45pm Presentation of Best-Poster Awards

Awards for the best poster authored or coauthored by students will be presented by the Associate Dean (Research).

3:00pm What do SSHRC Applicants Miss?

Sharing their perspective from student and faculty SSHRC adjudications, both internal to the university and in the national competition, Kelley and Malcolm will share their advice about the small differences that make a big difference in outcomes. What details make the difference between successful and unsuccessful applications?

Kelley Main & Malcolm Smith (Marketing)
