This year’s annual report responds to commonly asked questions about St. Andrew’s College. While this information is posted in various other locations, here is a short summary.

The mission of St. Andrew’s College is to promote “spiritual, academic, cultural, and moral leadership within the Church, the Ukrainian Canadian community, and the Canadian community.”

Readers of this report are reminded that the Board of Directors of St. Andrew’s College is truly a voluntary board. No director is paid to attend the meetings or to be a part of the Board, even though most non-profit boards usually present their members an honorarium. The Board physically meets twice yearly to conduct and oversee the business of the College. Teleconferences of the executive take place as necessary. A variety of committees steer the College in appropriate directions. This year a complete list of the members of the Board are listed separately in this annual report. Currently board members represent the provinces of British Columbia, Alberta, Saskatchewan, Manitoba and Ontario. The latest list of the board of directors include 13 males and 7 females. There is currently one honorary board member and 3 ex-officio members. Nine members are chosen at the Sobor, and 8 are voted in at the annual meeting. Two of these latter are selected from the alumni.

A variety of standing committees direct the Colleges’ activities: finance, strategic planning, personnel, academic publication, building, board development, scholarship/bursary, and nominating. Ad hoc committees include fund-raising, technology, library, stadium parking. There is also a St. Andrew’s College Foundation Executive Board. The Centre for Ukrainian Canadian Studies (created in 1981 by a joint agreement between the College, the University, and the province of Manitoba) continues to serve its communities. The mission of the Centre is “to create, preserve and communicate knowledge that deals with Ukrainian Canadia.” (That mission statement is derived from the University of Manitoba mission statement which is to create, preserve and communicate knowledge aimed at Manitoba, Canada, and the world.) The Centre is one of four distinct units on campus that focus on the Ukrainian Canadian community. The other three are the Library of the Ukrainian Heritage (not to be confused with the distinct library housed at St. Andrew’s College), St. Andrew’s College, and the Department of German/Slavic studies. It is important that the Centre not be “lost” by uniting with any of the above. First, the 1981 agreement is with St. Andrew’s College. Second, the Center has its own operating budget (separate from St. Andrew’s and the University). The Centre presents twice yearly reports to the College Board. The Ukrainian Heritage Studies Program located within the Centre for Ukrainian Canadian Studies will undergo a formal external review December 2019. This is a standard University of Manitoba procedure for all units.

As always, College upkeep requires funding. Donations are always welcome. The building is over 50 years old and the infrastructure needs constant vigilance and updating. It needs to be noted that we are overextended in the field of student scholarships, awards, and bursaries, but underfunded in terms of operational and infrastructure funds. St. Andrew’s College also has a very efficient Library Donation Policy (see Library Report) which is strictly adhered to.

The College Board wishes to thank the staff, donors and friends for their regular and faithful support.

J. G. Janitorial Services continue to provide efficient janitorial services to St. Andrew’s College. The College engaged Makesmesmile Inc. Catering formerly St. Andrew’s Catering for the years 2018-2023. We are very happy with their superior service. It is known all over the University of Manitoba that St. Andrew’s College has the best food on campus.

Our annual 3 week *Mini-College* Ukrainian summer day camp for children ages 6-13, was very successful with an enrollment of over 80 students. Thank you to our awesome Program Co-ordinator, Roman Demchyshyn, and the dedicated 2019 staff. Please see the Mini-College Report included.

St. Andrew’s College summer student employees Yuliya Zalyubovska, Taras Chuprovsyki, Dobr. Nataliya Tsenova, Viktoriya Mozolevska, and Tetyana Haraschuk creatively and energetically worked on grounds and property maintenance, assisted with our Mini-College Program, and provided varied general assistance wherever and whenever the need arose. We wish them all the best in their studies and future endeavors.

This has been a good year for the College financially, with responsible stewardship and fiscal planning, the stable income generated by the students and residence, the continued generosity of our donors and income from the St. Andrew’s College Foundation, the College continues its good work and has had a balanced budget. We will also strive for a balanced budget again next year.

This year we instituted the second of two Religious Education Worker Projects. This 2 year project will serve a graduating Theology student well, as an intensive “hands-on” Practicum, in preparation for service in the Ukrainian Orthodox Church of Canada (UOCC). The structure of this project will be of great assistance, not only to the Theology student, but also to selected local UOCC clergy.
The Religious Education Worker project is a primary step in the immigration process and will assist a Theology student in the immigration process in order for him to become a Canadian citizen and serve in the Ukrainian Orthodox Church of Canada. We express our sincere gratitude to the Ukrainian Orthodox Church of Canada Foundation for their second generous grant of $20,000 for our Religious Education Worker Project. The Project began July 24, 2018 and we are seeing very good results and expect the momentum to build and grow through to the culmination of this two-year Project. Thank you for recognizing the potential benefits of this Project and for providing the financial grant which helps to make it viable.

The Sobor Levy for St. Andrew’s College has been a success. The first 3 levy-sponsored students have completed the B.Th. Program and will soon be good candidates for ordination. A fourth sponsored student has just begun the program and we plan to visit Ukraine this March to interview new possible students.

St. Andrew’s College continues to host, support and make the College facilities available to many community, Ukrainian, Orthodox, Centre for Ukrainian Canadian Studies, and University of Manitoba events, speakers and visitors.

**St. Andrew’s College engages many of these various communities:**
- Ukrainian Canadian organizations at the College: Ukrainian Women’s Association of Canada - Союз Українок Канади, Ukrainian Self Reliance League - Союз Українців Самостійників, Manitoba University Ukrainian Canadian Students Society, Child and Youth Programs Mini - College, make concerted efforts to reach out to the 4th Wave Ukrainian Community
- Manitoba Parents for Ukrainian Education Grade 6 Language Camp
- Provide Housing and a venue for Visitors from Ukraine
- Orthodox Bible Study Group
- Coptic Orthodox Parish Sunday School Teachers and Youth Workshops
- Student Council activities
- IEP - Intensive English Program for students from around the world (Brazil, Japan, China, Ukraine, …)
- ICM - International College of Manitoba
- Annual Group of Slovenian Masters Students
- U of M Open House, Evening of Excellence and Student Orientation events
- Residence students from all across Canada and from Ukraine and many other countries. The Residence is full year-round
- U of M Head Start (Residences Presentation)
- Stadium Game Day Parking which provides income but is also an opportunity for PR and community outreach (thank you to Mr. Paul Lasko and Roman Demchyshyn for all their efforts)

Many of these contacts with the broader community help us balance the budget but also bring other benefits and opportunities to expand knowledge about the College, our Church, Ukraine and Ukrainian Canadians.

A great deal of administrative and support staff time is spent on preparing and delivering College reports (among others, to the College Board annual meeting, to the 3 Eparchies of our Church, and to the Sobor of our Church).

Likewise, the staff members prepare a regular page, or pages, in Вісник/The Herald, two Newsletters and a Christmas Card appeal each year (financial campaigns).

I would like to express my gratitude to the Chair Dr. Denis Hlynka and Members of the Board of Directors for their trust and support and for their unwavering commitment to the mission of St. Andrew’s College, and to the Faculty of Theology, the Library and support staff for their hard work, dedication and professionalism. Thank you to the donors and benefactors who support the College with their gifts and prayers, and to the members of the Order of St. Andrew for their continuing support.

I sincerely thank the leaders of the Ukrainian Orthodox Church of Canada, especially our Chancellor His Eminence Metropolitan YURIJ for his support, wisdom and advice, and V. Rev. Fr. Taras Udod, Chancellor of the Ukrainian Orthodox Church of Canada for his helpful and willing co-operation.

Метою табору було зацікавити якнайбільше дітей до вивчення української мови, культури та традицій українського народу. Програму було організовано так, щоб дітям було цікаво, щоб вони навчились чогось нового, розкрили свої здібності і таланти, та гарно відпочили.

Тema цьогорічної програми була “Культура і Традиції України”. Діти мали змогу ознайомитись із українськими обрядами, традиціями та культурними святкуваннями. Навчальна програма включала вивчення української мови через широку різноманітність діяльностей: ігри, лекції, ручні роботи, українські народні пісні і танці, уроки української мови, а також різноманітні екскурсії. Протягом трьох тижнів учасники програми відвідали Deer Meadow Farms, Fun Mountain, Children’s Museum i Manitoba Museum Planetarium & Science Gallery. В кінці програми кожна дитина отримала спеціально підготовлений посібник та подарунки, а також вироби, створені власними руками на уроках мистецтва.

Від імені Колегії Св. Андрея висловлюємо широ подяку Фундації СУС за фінансову допомогу для проведення програми “Міні-Колегія”.

This Summer, St. Andrew’s College conducted a very successful three week ‘Mini-College 2019’ program, from July 15th to August 2nd, for over 80 energetic children between the ages of 6 and 13. Nataliya Tsenova, Viktoriya Mozolevska, Yuliya Zalubovska, Taras Chuprovskyi, Tetyana Haraschuk, and volunteers: Sasha Tiaglei and Julia Bobelyak. Guest artist Ihor Drahun helped the children to discover and demonstrate their creative potential through a variety of different traditional Ukrainian art.

The main goal of ‘Mini-College 2019’ was to encourage children to learn the Ukrainian language, culture and traditions by providing a fun learning environment.

**POWER SMART LIGHTING PROJECT**

We are sincerely grateful to the dedicated hardworking members of the Ukrainian Orthodox Young Men’s Society of Dauphin, MB for their continuous support over the years, including their most recent donation of $5,000 (five thousand dollars).

With their significant donations we have engaged in a long-term cost-saving initiative – Power Smart Lighting Project to replace selected interior and exterior lights.

Phase 1 was the replacement of the 11 (eleven) exterior light-post fixtures in the courtyard and along the walkway at the front of the College. Phase 2 was the replacement of all 39 (thirty-nine) light fixtures in the College Kitchen.

Phase 3 is the replacement of the lighting, with high efficiency LED lights, in the North stairwells and in 22 residence rooms.

Not only is there a marked improvement to the aesthetics of the College, but the students are delighted with the effects, and it is also a great energy efficient cost-saving initiative.
Our well-functioning St. Andrew’s College Library is an important source of knowledge, not only for the students of Theology, the Centre for Ukrainian Canadian Studies, the University of Manitoba, but also for those interested in Orthodoxy and Eastern Christianity, Ukrainian history, culture and art. Our Library is open to members of the Ukrainian community, researchers and the general public.

In addition to the regular work of cataloguing books, donated and purchased, assisting with daily reference work and providing service to the students, the library staff undertook a series of following projects:

- We are proceeding, as time allows, with an ongoing project - a compilation and cataloguing of our duplicates holdings.
- During the summer, with the assistance of our summer employees, Dobr. Nataliya Tsenova, Victoria Mozolevska, Yulia Zalyubovska, and generous assistance of Administrative Assistant, Roman Demchysyn, the archival magazines and newspapers were sorted and filed into the newly purchased metal cabinets.
- Library staff members are starting the inventory, verification and correction of the pamphlet’s collection. They are sorting and organizing boxes of brochures to make them more accessible for our guests.
- The Library prepares seasonally themed educational showcase displays featuring various Ukrainian holidays and festivities (Ukrainian Christmas, Easter, famous literary figures, Ukrainian traditions, Holodomor- Genocide commemoration, National Interment Commemoration Day and others).
- Library staff participate in various events organized by St. Andrew’s College.

The students of Theology, during the last academic year, along with local clergy, have monthly visited a senior care home in Winnipeg. The students of Theology endeavor to participate in and support the activities of the St. Andrew’s College Resident student Council and the Ukrainian Student Association of the University of Manitoba.

As Dean of Theology, I had the opportunity to report at each Eparchial Assembly of our Church i.e. in Yorkton, Edmonton, and in Toronto. Also I had the pleasure of preparing lectures or seminars to be given in Winnipeg, Edmonton, and Yorkton. I sincerely thank all who made these visits possible.
