I have been honoured to continue to serve as Chair of the Board of Directors of St. Andrew’s College, along with the board members. Especially valued is supporting the vision statement of “the preparation of candidates for the clergy for service in the Ukrainian Orthodox Church of Canada and other Orthodox Churches”. Volunteerism in supporting the preparation of our future clergy strengthens our parishes, both in small towns and cathedrals across Canada, and hopefully expands or retains parish membership. The volunteer time of the members of the Board of Directors who actively contribute their time, expertise, and knowledge to critical issues in meetings and committee work is truly appreciated.

Even though the lockdown due to the Pandemic significantly affected the number of students in residence and within the theology program, we were blessed to have the ordination of Fr. Deacon Vasyl Kobrii on August 7, 2021, and Fr. Deacon Oleh Romanyna on August 8, 2021. Rev Fr. Oleh Bohdanov was ordained to the Holy Priesthood on October 10, 2021. Our residence provided a secure, safe home for out-of-town and international University students. The Board of Directors would like to acknowledge and thank the administrative, academic, office and support, catering, and custodial staff for their work and appropriate delivery of service through Pandemic restrictions.

The Board of Directors of St. Andrew’s College is grateful to the leaders of the Ukrainian Orthodox Church of Canada, His Eminence Metropolitan YURIJ to July 2021, His Grace, Bishop ILARION from July to December 2021, and Chancellor, Very Reverend Father Taras Udod for their support and guidance.

J.G. Janitorial Services continue to provide efficient janitorial services to St. Andrew's College. The College engaged Makesmesmile Inc. Catering formerly St. Andrew's Catering for the years 2018-2023. We are very happy with their superior service.

The College is following the University of Manitoba COVID Vaccination policy that all students in Residence must be double vaccinated to live in residence or to attend class. There is a vaccination clinic on campus which will vaccinate international students for free.

All staff of the College are fully vaccinated (by their own choice). In spite of the pandemic, the College has had a good positive financial year due to a good return from the St. Andrew's Foundation, the government wage subsidy, and the generosity of the donors.

Thank you.
Щиро Вам дякую.

Greetings to our new Chancellor, His Grace Bishop ILARION.

If you know of anyone who would like to live in a Ukrainian Orthodox College while studying at the University of Manitoba, please encourage them to come to the College.

We all hope that the pandemic conditions end soon, and we hope that more students, both in Theology and in residence, will come to St. Andrew's College in the Second Semester in January 2022 and in September 2022.

I would like to express my gratitude to the Chair Ms. Bonnie Eliuk and Members of the Board of Directors for their trust and support and for their unwavering commitment to the mission of St. Andrew's College. Thank you also to the Faculty of Theology, the Library, and the support staff for their hard work, dedication, and professionalism. Thank you to the donors and benefactors who support the College with their gifts and prayers, and to the members of the Order of St. Andrew for their continuing support.
Колегія Св. Андрея дотримується політики вакцинації проти COVID-19 встановленою Манітобським університетом. Студенти повинні двічі вакцинуватись для того, щоб проживати в Резиденції та відвідувати заняття. На території університету діє клініка, яка безкоштовно вакцинує іноземних студентів. Letter of Participation in Ukrainian Canadian Heritage Studies
Ms. Alexandra Kozelko and myself have submitted a proposal to the Faculty of Arts to start a new Letter of Participation program in Ukrainian Canadian Heritage Studies, which was approved in September 2021.

Letters of Participation in Ukrainian Canadian Studies will allow students as well as wider community members to further their knowledge of Ukraine and Ukrainian Canadiana. The letters will be of special significance to the community members who may not be able to take university courses due to registration barriers and are looking to learn academic perspectives on the topic. Participants will be required to attend a minimum of seven lectures or a minimum of five lectures and two reading club meetings in order to be eligible to obtain the letter of participation.
