

2024 Bannatyne Campus Hazardous Waste Disposal Calendar

Environmental Health & Safety will accept properly labelled hazardous waste on scheduled days every month. Alternate arrangements can be made if you have large volumes to dispose.

When: 2nd and 4th Thursdays each month 11:00am-12pm
 Where: 071 Brodie (next to the HSC steam tunnel entrance)

Please note:

- All containers of chemicals including hazardous waste must be labelled in accordance with WHMIS. **Unlabelled or mislabeled containers will not be accepted for disposal by EHS.**
- Chemical waste should be packaged in a sturdy box.
- Package compatible chemicals together. Potentially unstable chemicals must only be transported if deemed safe by the Hazardous Waste Management Program.
- All waste should be transported in a secondary container, which is spill proof, and of suitable capacity.
 - Transport waste with an appropriate cart. Use the service elevator instead of passenger elevators when available.
