Student Responsibility and Academic Integrity

Disruptions due to excessive talking or early departures from the classroom are especially distracting in large classes. Please be considerate and respectful of the needs and rights of others in the class. Students should be aware that persistent disruption may result in debarment from the course. Any student who has a legitimate reason for leaving class early should inform the instructor at the beginning of class.

NOTE: You must notify me **before** the test if you must be absent and arrange for a re-write. If the reason for your absence is illness, please provide a note from your doctor within two weeks of the missed test. Failure to complete any test or assignment will result in a mark of zero for that test or assignment. Late assignments will not be accepted.

Cheating is a serious offense with grave consequences. Students are advised to acquaint themselves with the University policy of plagiarism and cheating, as outlined in the *University of Manitoba Undergraduate Calendar*.

The Faculty of Arts also reserves the right to submit student work that is suspected of being plagiarized to Internet sites designed to detect plagiarism.

Senate Policy #1307 requires a “post-examination review of final grades in multi-sectioned courses that will ensure an equitable correspondence between grades and level of performance in all sections.” Accordingly, the final grade distribution in this course may be raised or lowered to achieve such equity and, therefore, your final grade may be changed.
