Faculty of Arts

AWARD IN INTERNATIONALIZATION NOMINATION FORM

NOTE: The letter of nomination must clearly outline the nominee's contribution to research, teaching and/or service in internationalization related issues. The selection committee pays close attention to the nomination letters and selects faculty members who promote or increase in students' awareness of international culture, perspective and issues. Some examples might include courses integrating international experience, teaching material based on research in other countries, and facilitation of international student exchange.

(please use extra paper if necessary)
