DEPARTMENT OF CIVIL ENGINEERING

INSTRUCTIONS ON COMPLETING THE UMGF APPLICATION FORM

ELIGIBILITY:

The following are ineligible applicants:

- Those who have not submitted a completed application for admission to the Faculty of Graduate Studies;
- Those with a GPA in each of the last 2 years of a degree from a recognized university that is below 3.75;
- Those who will exceed 24 months of a Master's program as of September in the competition year (for a UMGF Masters);
- Those who will exceed 48 months of a Ph.D. program as of September in the competition year (for a UMGF Ph.D.).

EVALUATION CRITERIA:

The departmental ranking of the applicants is based on all of the following criteria:

- Academic excellence
- Research potential / performance
- Communication skills
- Interpersonal and leadership skills

What does my signature on the application mean?

- You accept the terms and conditions of the award as set out in the UMGF regulations and the Award Holder's Guide.
- You will acknowledge, wherever possible, UMGF's funding assistance
- You certify that the information provided in your application is complete, accurate and consistent with institutional policies to the best of your knowledge. The provision of false or inaccurate information may result in sanctions, including termination of funding and disenfranchisement from eligibility for future funding.

FOR APPLICANT

TITLE

Mr/Ms/Mrs/Miss/Dr – title is used when corresponding with the applicant

LAST NAME & FIRST NAME

Name should match all documents enclosed with the application and will appear when corresponding with the applicant. If the name on the application differs from transcripts and/or other documents enclosed with the application, the applicant is required to submit documentation (i.e. marriage certificate) to clarify the applicant's identity.

ADDRESSES

Current address information will be used when corresponding with the applicant unless otherwise noted.

STUDENT NUMBER

This number is provided to you by the University of Manitoba and will be your reference number in all correspondence with the department and the Faculty of Graduate Studies. If you do not have a student number or if you do not know what your student number is, leave this section blank.

ACADEMIC BACKGROUND

Include only current and past programs. Do not include programs that you have not yet started.

ACADEMIC, RESEARCH, WORKS CONSIDERED CREATIVE ENDEAVORS AND OTHER RELEVANT WORK EXPERIENCE

In the area labeled "Position held under nature of work," specify whether the employment was full- or part-time. Also, indicate if you gained the experience in the course of a program of study.

AWARDS & SCHOLARSHIPS RECEIVED

Starting with your most recent awards, give the name of the award, the value, the type (institutional, provincial, national, or international), the location of tenure, and the period held.

Only list the support awarded on the basis of academic and research excellence and/or in recognition of your leadership or communication skills.

AWARDS APPLIED FOR

Indicate awards applied for other than the UMGF. Note that eligible students are expected to apply for national awards (e.g. NSERC, SSHRC or CIHR) and the Manitoba Health Research Council (MHRC) to be considered for the UMGF.

PROPOSED ADVISOR

Specify the proposed advisor (if known) for the upcoming academic year.

PUBLICATIONS

List your contributions to research and development and works considered creative endeavors. Begin with your most recent, and list each entry on a new line. Do not include any articles that are currently in preparation. Use the following headings and order in your listing:

- a. Articles published or accepted in refereed journals (for accepted articles, **attach acceptance letter**);
- b. Articles submitted to refereed journals (indicate the manuscript ID number, the date of submission and the number of pages submitted);
- c. Other refereed contributions (e.g., communications, papers in refereed conference proceedings, posters etc.);
- d. Technology transfer;
- e. Contributions resulting from your participating in industry relevant R&D activities; and
- f. Patents and copyrights (e.g., software, but excluding publications).

For conference publications submitted or in press, indicate the date of acceptance/submission and the number of pages submitted.

In all cases, indicate whether the publication resulted from work done in the process of completing your undergraduate, master's or doctoral degree, or from other relevant work experience.

THESIS COMPLETED OR IN PROGRESS

For completed degrees, indicate the date by which you completed all degree requirements (not the convocation date). This includes your thesis defence, corrections, and deposition of thesis.

Proposed Research (one free form page may be appended)

Provide a detailed description of your proposed research activities and/or creative endeavours for the period during tenure of the award. State the objectives and outline the experimental or theoretical approach to be taken, and the methods and procedures to be used. State the significance of the proposed research activities to the field.

If you have not yet formulated a plan of research, you must describe the specific research problems that interest you and explain why.

TRANSCRIPTS

Internal applicants: University of Manitoba transcripts will be taken from Aurora by the department. Copies of other university transcripts will be taken from your admission application. No copies of transcripts are required.

External applicants: please provide copies of your transcripts with your application.
