

HICKSON RESEARCH DAY 2020

Friday, March 13
10:30 a.m. - 4:30 p.m.

Celebrate research. The Hickson Research Day is held in honour of Dr. Allister Hickson, who was a member of the Department of Supply Chain Management until his passing in 2008. This Research Day honours collegiality and interest in the research of others — characteristics that Allister fully embodied.

Agenda

10:30 a.m. Poster Competition

Third floor, Drake

Join us in the student lobby on the 3rd floor of Drake to learn about the exciting research being carried out by Asper's faculty and graduate students.

1:15 p.m. Keynote Address: Dr. Peer Fiss

117 Drake

Peer C. Fiss is a Professor and Chair of the Department of Management and Organization at the University of Southern California's Marshall School of Business. Peer is broadly interested in how meaning structures shape organizational actions and in set-analytic methods such as Qualitative Comparative Analysis (QCA). His inter-disciplinary

research has been published in many top journals. His 3-hour workshop will introduce us to the QCA approach which allows researchers to analyze small-N datasets that cannot be examined using conventional statistical approaches.

4:15 p.m. Best Poster Awards

117 Drake

Awards for the best poster authored or coauthored by students will be presented, based on the selections of our distinguished judges.
