1. Staffing data were obtained from the VIP Human Resources Management Information System.												
2. A coding change in the VIP system regarding the types of staff that are considered active was implemented during the 2014-15 academic year. As such, staff counts in the original 2014-2015 tables were overstated. This revised table reflects the correct staff counts.												
3. Includes staff paid from grant funds only. This table excludes the following staffing categories: Long-term Disability, Non-Employees, Visitors, Nil Salary, Out-of-Province, and all Fellowships/Scholarships.												
4. The Full-Time classification includes staff on reduced appointments, retired half-time appointments, and term administrators in the College of Medicine.												
5. Other Teaching Academics include: CUPE Local 3909 Sessionals and Excluded Professional Sessional Academic Staff.												
6. Non-teaching Academics include: Research Academics, Excluded Students (Student Research Assistants), CUPE 3909 Students, and Other Academics.												
7. Effective Fall Term 2014, the Department of Human Nutritional Sciences moved from the Faculty of Human Ecology to the Faculty of Agricultural and Food Sciences.												
8. Effective November 2014, the Faculties of Dentistry, Medicine, Nursing, and Pharmacy became colleges in the Faculty of Health Sciences.												
The College of Rehabilitation Sciences (formerly, the School of Medical Rehabilitation) and the School of Dental Hygiene also became part of the new faculty.
