1. The Council on Post-Secondary Education provides institutional support grants to the University of Manitoba toward the academic and personal supports for students in the ACCESS Programs. ACCESS programs enhance accessibility for priority groups consisting of northern Manitobans, Aboriginal people, single parents, women, immigrants, refugees, visible minorities, and people with disabilities.
2. Pre-HCAP students are students who have expressed an interest in Nursing, however, they have not yet gained admission to the faculty.
3. Program is exclusively for students of Aboriginal ancestry.
4. UMAP includes students in the Education Access Program (EAP) and the pre-EAP.
5. While both the Inner-City B.S.W. (formerly Winnipeg Education Centre B.S.W.) and Northern B.S.W. programs offer ACCESS programs, intake is not exclusive to ACCESS students. Enrolment reported under these programs represents ACCESS students only.
