1. The Manitoba Education and Training Department provides financial support toward the ACCESS programs. ACCESS programs enhance accessibility for priority groups consisting of northern Manitobans, Indigenous peoples, single parents, women, low-income earners, immigrants, refugees, visible minorities, and people with disabilities.
2. As a result of the ongoing COVID-19 pandemic, comparisons to previous years should be made with caution as figures may not be comparable.
3. Program is exclusively for students of Indigenous ancestry.
4. UMAP includes students in the Education Access Program (EAP) and the pre-EAP.
5. While both the Inner-City B.S.W. (formerly, Winnipeg Education Centre B.S.W.) and Northern B.S.W. programs offer ACCESS programs, intake is not exclusive to ACCESS students. Enrolment reported under these programs represents ACCESS students only.
6. In 2020, the Aboriginal Nursing Cohort Initiative (ANCI) was renamed the Pathway to Indigenous Nursing Education (PINE). Enrolment estimate for 2018-2019.
