**Notes:**

1. Indigenous identity can be self-declared during the Admission application process, and as of Fall Term 2016, can be amended by students through the Aurora online registration portal.
2. As a result of the COVID-19 pandemic, comparisons to other years should be made with caution as figures may not be comparable.
3. Includes graduate-level diplomas.
4. Occasional student category includes visiting graduate students.
5. The Faculty of Engineering changed its name to the Price Faculty of Engineering in 2020.
6. Beginning in Fall Term 2021, enrolments include all University College of the North Cohort Nursing students as the University of Manitoba becomes the primary institution of record.
7. Includes faculties, colleges, and schools with too few students for disclosure. Because the composition of this group may vary from year to year, totals are not comparable.
