Call for papers
On behalf of Groupe Polyphénols, the University of Manitoba, and our sponsors, it is my pleasure to warmly welcome you to Winnipeg next August 22-25 for the 23rd International Conference on Polyphenols ICP2006.

All those interested in polyphenols research are cordially invited to share with us the memorable delights of ICP2006 in the lovely venue of Winnipeg. The organizing committee is working hard to make your visit an outstanding experience both on scientific and social levels.

On-line registration will open shortly. Please pre-register so that we can further keep you up to date about ICP2006 events by email. In the meantime, please visit our website for further notices regarding abstract submissions and registration.

We are looking forward to meeting you in Winnipeg.

Sincerely,
Dr. Fouad Daayf, ICP2006 Chair

Important Deadlines

Sponsorship

If you are willing to support the ICP2006 conference, you are invited to contact us in order to receive our sponsorship packages. This information will be also posted on our website.

Pre- & Post-conference tours

Winnipeg is a center of diversity. Among many summer festivals, Folklorama scheduled for August 6-19, 2006 celebrates diversity and promotes cultural understanding. Organized tours can satisfy a range of interests from wildlife to golfing. The province of Manitoba boasts great fishing, or you may want to attend a football or baseball game. The local committee will be organizing a number of tours, based on your preferences. Please visit the conference website and let us know if you intend to take advantage of one or more of these tours, as some will require minimal attendance to be held.

Links to all available tours will be posted on our ICP2006 website.

Travel & Accommodation

Winnipeg is easily accessible from almost everywhere in the world and many national and international air companies provide regular flights to Winnipeg International Airport. Please check our conference website for links to various companies.

From Winnipeg airport, taxis, limousines, bus services are available to take you to the downtown and conference venue (15 min.). Car rental offices are also at the airport enclosure.

At the conference site (The Fairmont Hotel), A preferential rate for our conference attendees has been negotiated, and double occupancy will be at the same price as single occupancy. In addition, children under 18 will not be charged for accommodation if sharing with parents attending our conference. However, the number of rooms at the preferential rate is limited and rooms will be released on a first come first serve basis. Please check for more information and useful links on our website.
