

OATH OF CONFIDENTIALITY

I, _____, am a research team member on the Research Project titled:

With respect to the above-noted Research Project, I will:

- Respect all research participants' right to privacy and confidentiality.
- Acknowledge that Research Information may include but is not limited to recordings, transcripts, consent forms, research results, and data files.
- Keep all Research Information shared with me secure and confidential. I will not disclose, share, or make accessible Research Information with anyone outside the Research Team.
- Store all Research Information in accordance with the data management plan outlined in the approved Research Ethics Protocol while it is in my possession.
- Store and use the Research Information only in the way it was approved by the Research Ethics Board.
- Not make copies, duplications, or transmit any Research Information unless such actions have been approved by the Principal Investigator of the Research Project in compliance with the approved Research Ethics Protocol.
- In consultation with the Principal Investigator, adhere to the data management plan including maintaining deadlines of disposal/destruction of Research Information as outlined in the approved Research Ethics Protocol.

I will notify the Principal Investigator if I discover that Research Information is not being managed as it was approved by the Research Ethics Board and/or if it is not being kept confidential or secure as required by this Oath of Confidentiality.
