## UNDERGRADUATE RESEARCH AWARD (URA) APPLICATION FORM PART 2 (RESEARCHER)

This section **must be completed by the Proposed Researcher**. Researchers are expected to have received an auto-generated Submission ID from the student they are willing to supervise as part of the URA. Students are expected to have met with researchers beforehand to discuss opportunities. Please note that professors **are expected to submit** Part 2 applications before the URA deadline, and that only applications with both Part 1 (Student Form) and Part 2 (Researcher Form) completed will be considered for selection. If you require further information to complete the form, please reach out to the student, or to the URA team. By completing this form, you also attest to your ability to (in the event of a successful URA offer) adequately supervise your URA student.

This will be used to ensure that, in case funding falls through or if its deemed necessary that the student requires additional funds beyond the \$7000 value of the URA, for any reason, professors can reasonably accommodate their students' research experience. Researchers are not required to have an active grant or fund, but it is recommended.

### 250 Word abstract of proposed research:\*

This is where the PROFESSOR/PROPOSED SUPERVISOR would fill out a general abstract of the research, namely the research the proposed/potential URA student would be involved in. This, along with other topics, is to be discussed between the student and proposed supervisor. Given the competitive nature of the program, some details may not be fully fleshed out at the time of application, so it is both the responsibility of the Supervisor and Successful URA Student to be in communication and regularly connect on matters concerning the URA and any duties/expectations.
