

University of Manitoba Security Services Monthly

October 2024

UM SAFE APP

UM Safe is an essential tool that sends safety alerts and provides instant access to campus safety resources. The app includes features such as “Work Alone” and “FriendWalk”, as well as a Mobile BlueLight feature similar to the stationary blue lights on our campuses.

Some of the app features involve interaction with Security Services, and some will be optional — while other features have no interaction with Security Services.

Used by hundreds of higher education institutions and millions of people around the globe, the app was developed by App Armor and is custom branded for the U of M.

The free mobile safety app for students, staff, and faculty is available for iPhone (App Store) and Android (Play Store) devices.

The Mobile BlueLight button will only contact Security Services when the person is within the campus Safe Walk boundaries. If outside of the Safe Walk boundaries, the Mobile BlueLight notification will go to 911.

Parking Lot Safety

A large portion of the U of M property is dedicated to parking lots. According to MPI, about 25% of collisions happen in parking lots. In many cases, MPI judges both parties involved in the collision to be responsible 50-50. This should be extra incentive to drive cautiously through parking lots on campus. MPI has the following tips for driving in parking lots.

Manitoba Public Insurance Tips

- » Drive defensively, which also means slowly, through parking lots, always anticipating a vehicle to back out, or a pedestrian to walk into your path.
- » Back into the stall to give yourself a better field of vision when you're leaving.
- » While waiting to take a parking spot, give the other vehicle enough room to leave.
- » Park farther away where there are fewer parked vehicles, better sight lines and less chance of having the vehicle beside you dent your door.

CAMPUS SECURITY STATISTICS SEPTEMBER 2024

Suspicious

It is essential that the university community is comfortable and feels safe when spending time on campus. Security Services responds to reports of suspicious people and vehicles on campus.

Responded to 52 Suspicious Calls

Safe Walk/Safe Ride

Safe Walk and Safe Ride is a free service in which Security Services staff will meet and walk you or give you a ride to/from your car, class, residence room, or bus stop. If you do not feel comfortable walking on campus, Security Services would be happy to assist you.

56 Safe Walks Completed / 4 Safe Ride Completed

Medical Emergencies

Security Services responds to all medical emergencies on campus. Sometimes Security Services staff are the first to respond to an emergency. They also play a key role in guiding the emergency responders to the correct building and room. **16 Medical Emergencies**

Parking Services

Security Services works closely with Parking Services at the University of Manitoba.
8 Calls for service

Access

Everyday Security Services helps students and staff who want access to buildings or rooms. Security Services staff must alter daily operations to assist with unscheduled door openings. **49 Unscheduled Access Requests**

Alarms

Security Services responds to all safety and security alarms on campus, for example, Fire, Code Blue, Elevator, Emergency Phones and Panic Alarms.
Response to 191 Alarms

University of Manitoba Fort Garry Campus - September 2024 Incidents
