I am also a twin, and I am older by a minute and a half. My hobbies include reading, binging Netflix, baking and cooking, as well as anything to do with music. I have played multiple instruments over the years, but my favourite has been the fiddle (also known as a violin). I have been playing since I was 7 and have never stopped. I am looking forward to the coming year; I am excited to get to know everyone and have an amazing year!

Besides school I love MMA, gaming, working out, and plants!! If you want to come check out my plant collection feel free to ask. Fun fact: I have a dog named Vodka back home! This year, I want residence to feel like a place where you're comfortable being yourself and where it's easy to connect with people. I'll be around, whether that's through events or just day-to-day, so feel free to come say hi or reach out anytime
