DEFERRAL APPLICATION FORM

DEFERRAL CRITERIA

Deferrals of admission are only considered on a case-by-case basis for compelling circumstances and must be approved by Extended Education. If approved, the deferral will be granted for the following term.

Deferral requests must be supported with official documentation and be outside of the student's control. Examples of reasons a deferral may be granted include the following:

- illness
- court appearances
- bereavement
- significant extenuating personal circumstances
- visa permit processing delays

For deferral requests related to visa permit processing delays, supporting official documents and proof that the visa application was submitted in a timely manner are required for consideration.

Financial constraints and changes in personal plans, including employment or attending another educational institution or program will not be considered as valid circumstances for a deferral. Applicants who have missed the tuition payment and course registration deadlines will also not qualify for a deferral.

In order to qualify for a deferral, tuition fees must have been paid in full. If a deferral is approved, all tuition fees will be held and applied to the following program registration. As tuition fees can change, the student is responsible for any additional fees applicable for the following session.

DEFERRAL FEE

An applicant's first deferral is free. For a second deferral, you will be charged a fee of \$300 CAD. A maximum of two deferrals may be granted per applicant. If an applicant needs a subsequent deferral, they will be required to reapply to the program and pay all applicable fees. Deferral decisions are final and no appeals will be accepted.

PLEASE INCLUDE THE FOLLOWING WITH YOUR DEFERRAL REQUEST

For visa permit processing delays, provide supporting official documents and proof of the visa application submission date.

Written explanation for why you are requesting a deferral and a summary of actions you will take to ensure you are able to attend the following term

I confirm that I have accepted the Letter of Admission by the deadline stated on the offer.

I confirm I have paid the tuition by the deadline specified on the offer letter.
